Chemistry Laboratory Costing $14,000 Is Near Completion

The new chemistry laboratory of Clinch Valley College was recently completed. The college now has the use of an up-to-date laboratory which will greatly increase the quality of instruction the students are receiving. The laboratory is equipped with modern apparatus and is designed to meet the needs of the chemistry department.

Presbyterians Plan Church At Wise

Members of Presbyterians planning to petition Abingdon Presbytery at its January meeting in Pulaski for formation of an independent church in Wise at which Rev. Ralph C. Arrowsmith, pastor of the Wise Presbyterian Church, will act as minister and preside over all the arrangements.

Darden Assembly Speaker

The visit of Colgate W. Darden, subject of an article in The Highland Cavalier the week of January 7-14, is to be held in Wise by address to the combined assembly of high school students of Clinch Valley College students at the 2 J. Kelly High School Auditorium, Friday, January 6. His talk was preceded by Delegate Orby Carter's explanation to the student body of the referendum of January 1, the fruition of an idea brought by Mr. Darden.

President Darden served two terms as President of the Virginia Assembly as a member of the Sovereign of Delegates. He represents the Second District in Congress in legislative sessions, resigning in 1941 to run for governor. After his term of four years as Virginia's war-time governor, he became President of the University of Virginia, held that office for four years, and was succeeded by the University of Virginia's present chancellor, the late Honorable C. Bascom Slemp.

The Slemp Foundation donated the land on which the new university building will be erected. The building is being erected at a cost of $14,000. The Slemp Foundation provided $50,000 of this amount.
