In no realm can you serve where the disciplining of man by man."

There are five openings for getting an education are greater today than ever before. Dr. J. Jeffrey Auer, Chairman of the Department of Drama and Speech, has already accepted the invitation to speak at this event. The public is cordially invited to attend.

CVC Students Enjoy Picnic

On May 12, students, friends, and members of the faculty enjoyed a picnic at the Powell Valley Lake. Before gathering at the lake for the picnic, the crowning of the May Queen, Twanny Brasham and her attendants, Vinnie Traylor, and Jeanette Fuller took place at the Norton Hall Park. These three were elected by the student body.

Members of the social committee and the chaperones prepared the food while many everyone had the thrill of grilling their own hamburgers and hot dogs over an open fire. Many of the students stayed while others strolled along the lake. Another very enthusiastic game which many of the boys participated in was horserace.
