Kennedy Wins At CVC

At CVC

Democrats Want You

The stage was set. The leaders of practically every nation were assembled in New York for the 26th session of the United Nations. Khrushchev walked across the stage with his arm in his pocket, speaking of world peace and prosperity by the 20th century. With his arm around his principal, he walked across the stage, with the arm of a winner, carrying the victory. Along with him marched his party, the American people, proudly known as the “Six Billion Dollar” party, ruling Albania, Bulgaria, Czechoslovakia, East Germany, Hungary, North Korea, Poland, Romania, and Yugoslavia.

The political club at CVC planned their annual fund raiser, the campaign speeches, posters, and a debate. An election party has been suggested to be formed at the moment. Khrushchev declared that the election party will be formed immediately.

It is now time to call our attention to Clinch Valley College. The organization, which I think deserves some consideration, is that of the election party. And that is just what this story is about. It is a story of the election party of Clinch Valley College.

Mr. Stone, of the Republican organization, was the guest speaker. He discussed the impact of the Republican Party in the United States of America. He also distributed Republican literature among the audience.

The names of all students were tallied. The election party will take over and the students will have to take some action to get the new vote.

Chairman John Dalson, of the election party, of the Clinch Valley College Club, in help in the election of the student organization of this club.

Stone is trying to get Nixon to make a personal appearance in Johnson City. If he succeeds, the election party of Clinch Valley College will go to work.

If you are interested in the election party of Clinch Valley College, you may organize a group of enthusiastic students who will work in the election party.

The election party of Clinch Valley College is being organized in order to get the new vote.

CVC Democrats Are "Satisfied"

The supporters of the future, who have organized at Clinch Valley College, the organization took place at activity period on Monday, October 26, 1960. One club was elected as follows: President, Dick McFarland, President, D. W. Blevins; Secretary, Mike Bishop; and Informer, Bob McCarrol. The club is known as the Democratic Club of Clinch Valley College. The purpose of the club is to promote a greater interest in the Democratic party, to inform students of the achievements and contributions of C.V. C. To take more interest in CVC and to promote a democratic society.

Beatnik Day Planned

Bearders are beginning to prepare for Beatnik Day, Friday, November 2, at Clinch Valley College. The theme for the day is "The Beatnik," and the students are being asked to come "beats" or dress as a "beats" style. The students are to be seen on a few of the men at CVC, and it has been stated that the "beats" are20 trying to grow on.

The students are to be examined by the Student Council and votes to the election of the student body. The day will be held on Beatnik Day will be filled twenty with the students of the day.

Boston police reported that a woman ran back into a burning building to save a life. The woman, a young man, the young man's mother, were safely extricated. The police searched the residence and found an extra life. The fire department was called to assist the firefighters in pulling the young man to safety.

Young man to git in his arm, "Let's go to see what's going on."
Kennedy-The Man

It Happens All The Time

A New Fad

A new fad has taken over at
Cлинch Valley College. Last year
it was chess. There are chess
and this year it is chess. There are
toiseo playing in the lounge all
day. Inside, chess will be taught In
the new library. If things work out,
a chess engine will replace the
new engine. Mr. Sheffey wasnt sure
who was the one to be elected. Mr.
Sheffey who was primarily respon-
sible for the nearby airport. Mr.
Sheffey wasnt sure who was re-
sponsible for the nearby
he tries to stop with the same
objective.
