Another subject which was put open for discussion was that of a theme for the dance. After several ideas, including "the last round-up," "carnival," "Roman Way Oriental - Madummer night's dream," and others were discussed, this last was voted up-on. The club decided to use "Madummer night's dream" as the theme and to put Lorelisa Potter into charge of its decorations.

It was also concluded that a floor show would not be feasible since all students would have final exams up until the day of the dance and few students would have sufficient time to devote to the preparation of a floor show. The date and time of the dance will be June 4th at 8:30 p.m.
