CVC Circle K

The Circle K Club of Clinch Valley College under the leadership of its newly elected officers gave assis­ tance in the Boots and Saddles Club on May 8 when they staged a horse show at the Wise County Fair April 10. The members worked in two shifts, afternoon and evening, and sold tickets at the gate for the show. Proceeds of the show were given to Clinch Valley College.

On May 12 the club sponsoredOpera­tion-Clean Up. The men of the club cleaned the picnic area for the benefit of the entire school. The area was raked and swept, the picnic tables were cleaned and ample supply of wood was cut for the fire pit. The club hopes that the faculty and students will use the fire pits and help to keep it clean.

In May 13 the club aided the local Saddle Club at Wise with their par­ade supper. The club kept the area clean and helped serve the supper. For their efforts, the club members were treated to a fine parade supper by the Kiwanians.

The Circle K International convention will be held at Miami Beach this year from August 29 through September 1. Lewis Gore, Barry Willard and Club president Carlton Smiddy perform as two of the members of the club who will attend this convention.

Journey To Barter

On May 5, 1965, a group of five CVC faculty members and students journeyed to Abingdon, Va. to see Barter Theatre's production of "The Tragedy of Julius Caesar". Everyone enjoyed himself and some culture was attained by everyone even if they were not actively involved in the play. Everyone enjoyed steak at a crowded table. Due to the success of the show, it is safe to assume a dependable CVC bus was not re­quired.

We would like to thank John Smith who served as our chauffeur as well as our interpreter of Shakespeare.

B.S.U. Picnic

The Baptist Student Union, after one postponement, finally had their picnic Monday, May 17. All members and their guests met at the Picnic Area at 5:30 p.m. Paul Russell, Jr. was invited to speak. His talk centered around the riches of the Ladder to Success. Lucille Cloud, president of the B.S.U., announced the new officers for next year. Larry Marez will be president, and Denis Lester will be Secretary. The Vice-President and Program Chairman will be elected from the first year members next year. After eating all the hot dogs and potato chips, and drinking all the grape soda they wanted, everyone set around the fire and sang songs accompanied by Randall Hylton on the guitar and Mr. Smiddy on the dul­cimer. Randall and Larry Marez team up for several songs and Mr. Smiddy gave a special number on the dulcimer.

Fred Pollard Says CVC Serves The Area Well

Fred G. Pollard of Richmond, Democratic candidate for Lt. Governor of the West Virginia Democratic Party, paid a visit to the CVC campus recently to hear and see the latest progress from the students. Afterward, he met with President Davie L. Ebert and several members of the Student Senate. Mr. Pollard was very impressed with the work that has been done in the Va. Tech Building, the Student Union, and the Chapel.

In speaking of his recent trip to CVC, he said, "I was very impressed with the facilities and the people. I was also pleased with the work that has been done in the last few years. I believe that CVC is a great institution and I will support it."
"VISIT TO A SMALL PLANET"

Many weeks of preparation and work went into the play, and the cast worked hard in the hopes of presenting a good comedy for the school. Fratulation along with happy gases accompanied each rehearsal, but all went well the two nights it was presented as many of the viewers will remember the production as a huge success very well done.
