Mrs. Harold Couch was recently honored by the University of Virginia for her 15 years of dedicated service to Clinch Valley College. She is employed in the John Cook Wyllie Library at the college. Mrs. Couch resides with her husband and their son, Ray, on the Coeburn road in Wise. She is the daughter of Mr. and Mrs. W. L. Stallard. Chancellor Smiddy in awarding this pin expressed the college’s appreciation for her many years of dedicated service.

Clinch Valley College’s oldest employee is Mr. Jim Lipps, Jr. of Wise who has been employed by the school for 18 years.

Weather, Air Pollution
Is Lecture Topic

Dr. Jack Stewart, professor of physics at the University of Virginia, will speak Friday, May 12, on the topic of weather and air pollution. The talk, open to the public, will be held in the Science Lecture Hall at 11:00 a.m.

In addition to teaching physics at the University of Virginia, Dr. Stewart has long been known for his studies of the weather. He has published numerous articles in weather publications as well as physics journals. Recent concerns with air pollution are directly related to knowledge of weather and the physics of the atmosphere. Dr. Stewart’s talk is intended for the general public.

ROBINETTE ELECTED

As the new President of the Student Council I would like to thank everyone who supported the past elections.

On Monday the Council met to discuss plans for the coming year. I would like to make some changes in next year’s orientation. Also the council agreed that a committee is needed to be set up for the purpose of locating bands for dances at CVC. In this way I feel the Student Council will be able to devote all its energies to the needs of the student body.

Finally I would appreciate any ideas or suggestions that anyone here at CVC has to make in order to benefit your student body.

I would like to thank everyone who was instrumental in my campaign.

Student Body Election Results:

President
Robinette - 193
Mullins - 119

Vice-President
Rayton - 254
Tony Lawson - 26

Sec. Treasurer
Jennie Chapman - 256

- "The Gay Divorcee" with Ginger Rogers and Fred Astaire
- "The Show of Shows" with Bob Hope and Bing Crosby

Don't miss this exciting way to enjoy the classics! See you at the festival!
Math, Science Contest Is Deemed Successful

The first annual Sigma Zeta Math-Science competition for high school students was held at Clinch Valley College on Saturday, April 29. The activities began at 8:30 a.m. with a welcome by Chancellor Smiddy. The schedule for the day included tests in mathematics and science, movies, exhibits by various academic departments at Clinch Valley College and was concluded by an awards banquet in the College cafeteria.

There were 91 students and sponsors from 17 high schools that took part in the competition. The schools were represented in each division by a team of three students. The scores for these students were combined to arrive at a total score for each high school in the competition. On the basis of these combined scores, Lebanon High School was declared Grand Champion and was presented a trophy.

In addition to these honors, the students were individually competing for trophies and scholarships to CVC, Mr. Randy Beeding of Whitesburg High School and Miss Shane Hatfield of Thomas Walker High School earned first place honors in Mathematics and Science, respectively. They were awarded first place trophies and scholarships to CVC for one year's tuition and fees. Mr. Larry Mitchell of Lebanon High and Miss Mary Worthington of Burton High were second place winners in Mathematics and Science, respectively. They received 2nd place trophies and scholarships to CVC for one semester's tuition and fees. Third place certificates were presented to Calvin C. Honaker of Honaker High for Math and to Dickie Price of Lebanon High for Science.

Certificates of Honorable mention in Mathematics were presented to: Calvin C. Honaker of Honaker High for Math and to Dickie Price of Lebanon High for Science.

Certificates of Honorable mention in Science were presented to: W.B. Jesse of Lebanon; Anne Worthington of Burton; Larry Mitchell of Lebanon; Rebecca Bolling of J.J. Kelly High; Stanley Vaughan of Appalachia; Stephen Halenda of J.J. Kelly and Allen Neal of Rich Valley.

Math-Science Test (continued)

phy in recognition of the honor. Team trophies were also presented to Whitesburg High School for high team scores in Mathematics, and to Lebanon High School for high team score in Science. In the competition, there were 91 students and sponsors from 17 high schools that took part in the competition. The schools were represented in each division by a team of three students. The scores for these students were combined to arrive at a total score for each high school in the competition. On the basis of these combined scores, Lebanon High School was declared Grand Champion and was presented a trophy.
