Elise In Convocation

Richmond, Va. - Gerald Elise, director of the Center for Counseling, Advising, and Modern Studies at the University of Michigan, will be the guest lecturer at Clinch Valley College this week under the auspices of the University Center in Virginia, Inc.

The noted classics scholar took his doctorate at Harvard. He is a member of the American Academy in Rome, a fellow of the American Academy of Arts and Sciences, and a fellow fellow at the Center for Hellenic Studies in Washington, D. C. The University of Michigan presented Elise with the Distinguished Faculty Achievement Award in 1966.

The clinics include a variety of services provided by the clinic directorship of the College of Medicine and the University of Virginia. Before accepting the position at Michigan in 1962, Elise was called to be the Andrew H. Mellon visiting professor of classics at the University of Pittsburgh. A member of Phi Beta Kappa, he is a Fulbright scholar in research.

Elise is a former secondary school teacher and served as a member of the faculty of the University of Michigan. He has been a member of the Classics Faculty of the University of Michigan since 1962.

The College Is also fortunate to have Elise in attendance. The President of the University of Michigan has not only been a member of the Classics Faculty for the last ten years, but he has also been the President of the Classics Faculty for the last ten years.

Elise will be in attendance at the College from Monday to Thursday and will be available to discuss his research and teaching at the University Center in Virginia, Inc.

Honors Court Elections Wed.

Electoral College

The long awaited Billy Preston Concert will get underway on Wednesday evening, May 8th, at 8:00 p.m. at the Roanoke Gym. The concert is expected to be "come alive" at 8:00 p.m. with two area groups, the Ash and David John, warming up the stage for the nationally known Preston.

Following the concert, the David John will provide music for a dance in the Jefferson Lounge restricted to CVC students and their dates. Free refreshments will be provided by the Outlaw Club.

There will be no admission charge.

Concern is growing among both administration and student leaders that the concert may not reach its anticipated ticket sale level. The week before the Spring Break showed that ticket buying was in sales, but the total is far short of the needed amount.

The concert at $4750.00 is the most expensive venture yet by the Student Council. At press time less than $1600.00 in ticket sales had been turned in to the college business office. The council has elected to deposit their account by way of a $1200.00 deposit on the Preston Concert and thus still need to raise approximately $2500.00 to break even. Dynamite reports were circulating concerning sales in Norton and the Bristol area though and it is anticipated that the big move for tickets will come this week.

Library Fund To CVC

Clinch Valley College has established the Carl Wygal Memorial Scholarship Fund with the monies left by Mr. Wygal to the College in his will.

Mr. Wygal died June 5, 1972 as a result of injuries received in an automobile accident. He was a retired educator, having served 30 years as a teacher and principal in the schools of Lee, Wise and Grayson counties of Virginia. Mr. Wygal was chairman of the Soil and Water Conservation of Lee County.

He was a member of the Dryden Methodist Church. His Christian service covered many church and community activities. Mr. Wygal received his B.A. degree from Furman and Library College and his M.A. degree from the University of Virginia.

Clinch Valley College has established the Carl Wygal Memorial Scholarship with the funds that were left in Mr. Wygal's will. On being notified of this bequest, Chancellor Joseph C. Simms made the following statement:

"I had the pleasure of knowing Mr. Wygal and it is a signal honor for the college to have this opportunity to establish a scholarship in his memory. Carl Wygal was certainly a person of excellence and descended from one of Lee's finest pioneer families."

A Decade of Service Recognized

Clinch Valley College recognized in a year of service of two members of the staff by presenting them with the Personnel Award certificate recently. The awards were presented to Sharon Daniels by Dr. Emmet F. Low, Jr., Dean of the College, and to Mrs. Barbara Short by Dr. George E. Colbertson, Associate Dean of the College and Registrar.

Mrs. Short, who lives in Wise, joined the College staff in 1962 as Registrar. She has continued in that position and has been a member of the academic records of all of Michigan.

Mrs. Daniels, who also lives in Norton, joined the College in 1962. She is now Secretary to the Dean and in this capacity works closely with both faculty members and students at the College.
Notes Of A College Revolutionary

Bury The Past At Wounded Knee

The recent Indian uprising at Wounded Knee has come as a result of what has been called "long standing sympathy for the native American," and "harsh treatment for the native American by law." This is not to say that every white person has not been torn down to the Indian and that most white people have not been torn down to the Indian by the Native American. However, there is a need for an increase in the level of sympathy for the Native American. There has been a renewed interest in the history of the Native American people and their struggles. The Wounded Knee incident is an example of the need for increased sympathetic understanding of the Native American and their experiences.

A Special Commentary...

A Sophomore As SCA President

On May 1st, with along with voting Tuesday, the Student Council met to begin the process of selecting a new president for the SCA. The process, which had been delayed due to the early dismissal of the school, is now finally underway.

Unfortunately, the process did not go as smoothly as expected. There was no clear favorite among the candidates, and the voting was close. However, the ultimate goal of the SCA is to remain an organization that represents the students and their interests. With this in mind, the process of selecting a new president is an important one, and the SCA will continue to work towards this goal.

And since death must be the Lucina of life, and even Pagandi could doubt, whether thus to live were to die; since our longest sun sets at right descensions, we lie down in darkness, and have our light in ashes; since the brother of death daily haunts us with dying moments, and time that grows old in itself, cent.

In my husband's school, I have only seen a few people who are truly interested in the SCA. However, I believe that the true purpose of the SCA is to represent the students and their interests. With this in mind, the process of selecting a new president is an important one, and the SCA will continue to work towards this goal.

I Love America...

An Immigrant's Heartfelt Tribute To Her New Land

Confined from New York Times

Tribune April 26

Just over six years ago, I moved to this country. And there are days when I feel as if I am living on the edge. I am not sure if I will ever feel truly American, but I do feel like I am a part of the American experience.

In America, I have had the opportunity to see the city from different perspectives. The city is a place of contrasts, where the old buildings and the new buildings stand side by side. The streets are lined with shops and restaurants, and the air is filled with the smells of food.

And yet, despite the contrasts, there is a sense of unity that I feel whenever I am in this city. There is a sense of community, and I feel like I am a part of it. I am not sure if I will ever feel truly American, but I do feel like I am a part of the American experience.

Baseball Field Gets Face-Job

The CVC baseball diamond, notorious for its ability to hold water, got a new face on April 11th and 12th. The new appearance was created by the addition of several tons of sand in hopes of aiding the field's draining process. Rain has forced the cancellation of several baseball games already causing a strain in rescheduling the games to be played.

Troll Production Great Success

“The Troll Who Believed in Fiddler” was written directed by Charles Lewis, CVC Instructor of Drama. Several high schools were visited by the traveling troupe of dedicated actors as they gave up their valuable time to give a little enjoyment to the area’s young.

Pre-Registration Instructions

The two primary components of the pre-registration process for the Fall Semester include:

(a) Schedule preparation
(b) Payment of fees

Those students currently enrolled and planning to return next fall may prepare their fall schedules and submit them to the Registrar’s Office according to the following time table:

Rising Seniors: (At least 84 semester hrs. by end of Aug. 1973) —Thursday, Thursday, May 2

Rising Juniors: (From 54 to 83 semester hrs. by end of Aug. 1973) —Monday, May 7

All others —Wednesday May 9

One new feature of the schedule preparation phase is the Record of Academic Progress (RAP) form. These forms (3 copies) have been prepared for each student that is expected to return for the fall semester and have been distributed to the student’s advisor. The RAP form will serve as an academic advising tool and it is expected to make the advising process more responsive to the needs of the student. For the first time the student will have a complete record of his - her transfer and Chicag Valley College credits and an indication of his - her progress toward graduation requirements.

The steps to follow in preparing your Fall Schedule are:

(a) Make an appointment with your advisor or on or before the scheduled day for your class. Check to see that he - she has your RAP form. Lists of students and advisors have been posted on bulletin boards on the campus. If your name is not listed, contact the Registrar’s Office for the name of your advisor.

(b) With your advisor go over your RAP form, the schedule, and the requirements in your planned major. Complete the course study card and the three part schedule sheet (advisor will have these). Be sure to copy the schedule number currently as this is the number the computer uses to put you into the class you request.

(c) Course to be taken under the Audit or Pass-Fail system must be designated as "AU" or "P - F", respectively. Those should be approved by your advisor or his representative.

(d) Check the list of courses prepared by each department for the Spring Semester. List on the Pre-Registration form advisor will have these. Those classes you would like to take during that semester.

(e) Seniors planning to student teach next semester must notify the Chairman of the Education Department (Room 132 Summer Building) and have him or his representative initial the course study card.

(f) Submit the following forms to the Registrar’s Office:

(1) Course Study Card
(2) Fall Schedule Sheet
(3) Spring Pre-Registration Sheet

(g) Your schedule is then complete and barring some unforeseen problems, all that remains to be done is the payment of fees.

Additional information concerning the final phases of pre-registration, registration of motor vehicles, etc., will be published in the newspapers.

Student Health Announcements

All Students Who Have Not Paid Their Lab Fees Had Better Do So As Soon As Possible. Grades May Be Held If These Fees Are Not Paid.

Mr. Else will be speaking in the Lecture Hall of the New Administration Building during the 11:45 a.m. convocation on Wednesday, May 2nd. His subject will be “The Classical Humanities in the Making of America”.
