SCA Elections Wednesday-Vote!!!

Governor To Visit CVC

Governor Linwood Holton and a host of some 40 odd members of the General Assembly and State Officials will visit the CVC Campus on Wednesday, May 16th.

The group will arrive at the Administration Building about 2:30 p.m. and will be joined by CVC Chancellor Joseph Seedsdy in their tour of the campus. The group's schedule only allows them an hour of time since later on in the evening the Governor will be appearing at Mountain Empire Community College to dedicate the new facility.

Everywhere on the CVC Campus people are saying that last Wednesday's Billy Preston Concert was the best the College's History.

Among the faculty and students there was a reported crowd of 800 students who attended all three and a half hour concert.

The band consisted of three and a half hour concert.

SCA-Honor Court Election-Wed.

Elections for the officers and representatives of the 1973-74 Student Council will be held on Wednesday, May 16, from 8:30 a.m. until 4:30 p.m.

Three representatives will be chosen from each class (except of course the graduating seniors) as well as a President, Vice-President, Secretary-Treasurer, and Assistant Secretary-Treasurer for the entire student body.

Several candidates had filed for the various offices at press time but indications were that some offices would go uncontested or even be left unfilled until the fall. The five new members of the recently elected Honor Court moved on Friday, May 5th, to contend to page 4 by a margin of 2 to 1. Bob Hodsdon, presently a member of the Student Council, was the first candidate to take advantage of the new rule.

"Outpost" Arrives

The following is a summary of the procedure for initiating a complaint to the committee:

Procedure: Upon arriving at a situation in which the student feels cannot be worked out privately and after making an effort to do so, he may notify the chairman and explain the circumstances of the situation. The chairman, in turn, reports only those members of the committee that he feels necessary to negotiate the matter. If, after investigating and consultation with both parties, it is the opinion of these members of the committee that an injustice has been done and there is an unavoidable difference between the two parties, they shall notify the chairman and present a written summary of the matter containing the facts of the incident.

The chairman shall then submit this summary to a standing faculty mediating body consisting of the Dean of Students, the Associate Dean of Students, the President of the Faculty Senate and the chairman of the department of the faculty member involved (this member will vary from case to case). This body shall then decide the outcome of the incident calling at their discretion either party involved for consultation. The body will then make recommendations to rectify the matter or dismiss it.

Governor Linwood Holton

Reports leaked to the College Valley College "Outpost" indicate that this year's book will be unlike any ever done at CVC.

Students are urged to promptly come by and pick up this year's book effort before exam week begins when pickup may be more difficult.

Students who have been at CVC for both seniors and Juniors of this year are entitled to a yearbook at no charge. Those who have been here for more than one semester are entitled to an "Outpost" for only $2.00.

The long awaited arrival of the "Outpost" was made possible by the relentless efforts of editor, Mrs. Mullins, Business Manager and Artist, Editor Roger Mullins, and the "Outpost" staff.

The pictures will be mailed to individual students after development. A professional photographer will do the shooting.

Amendment Passes

The proposed Constitutional Amendment to alter the class status requirements for President of the Student Council from junior to sophomore passed on last Wednesday, May 13th.

Students who feel that they have been wronged academically now have a source of appeal not before available to them.

The Student Council on April 18th approved a plan drafted by Assistant Business Manager, Bob Hodsdon, designed to create a Grievance Committee.

As conceived presently the committee would function as a branch of the Student Council with the president of the council responsible for appointing both the chairman and members of the committee.

It's A Grand Old Flag

Every time I hear "The Star-Spangled Banner," I am reminded of the importance of our national anthem. The song, which was written by Francis Scott Key and set to a popular tune of the time, has come to symbolize our country's spirit and resilience. As we mark the anniversary of the Battle of Baltimore on September 12, 1814, it is fitting to reflect on the significance of the flag and the nation it represents.

A Brief Remark On The Semester's End

The end of the school year is upon us, and with it come the usual mix of emotions. For some, it's a time of relief and anticipation for the summer ahead. For others, it's a time to reflect on the past year and consider what lies ahead. Whatever one's feelings, it's important to remember that education is a lifelong pursuit and that there are many opportunities to learn and grow outside of the classroom.

SCA Finally Successful

By: Ray Baker

Opening a college concert with a rock-and-roll act could very well prove to be a disaster, but that's exactly what happened at the Greer Gym on Thursday night. The crowd was on its feet within minutes as the members of Devil John and Hot Ash took the stage. The energy was electric, and the audience was left wanting more.
