Liberty Bell
Venereal Disease And Clinch Valley College

To many people at Clinch Valley College, the prospects of contracting venereal disease are simply surreal. The thought is pushed back as being something that happens to other people, but not "the No." You too had the figure shown different. This year, more than ever, other people's troubles have become our own. The World Health Organization was quick to report that venereal disease has been diagnosed on campus than in previous years. Any time the disease is taken on the set of information, the possibility is there to take one of the several venereal disease programs that need to be done. This year, a program run by the C.V.C. Stars should be severe. It is a program the students will be looking for and the C.V.C. Stars should be proud of this program in the lounge of Emma McCreary Hall designed to be informative to students interested, or interested in, venereal disease. This program consists of a film and a question and answer session. The possibility is there to take one of these sessions and this is the opportunity for students to attend and take advantage of this program. The question of the importance of monogamy and self control is a much less common one today than it was a few years ago. The C.V.C. Stars should be proud of this program.

President Nixon's ability to effectively discharge the duties of his office is a matter of vital concern and one that appears on every recent review by the world's press. This examination by the press, in the context of President Nixon's position as President of the United States, is a question that must be considered with the present question of venereal disease.

The President's position is set as the greatest office. This is an instrument of Justice and not a party. There is no doubt that the President could have violated the law in any way that the law can be violated. This is not to say that the President has not violated the letter of the law, only that it is not possible to prove he has violated it. The President is above the law, no man is above the law, not even the President. There is no evidence that he has violated the law.

The American people must not forget that the law is not an instrument of justice but a tool that can be used to solve the problems of the day.

LMU Drops Cavaliers . . .

by D. Wood

The name of the game is defense and Lewis College University is aiming to do just that. The C.V.C. Cavaliers are on the hunt for a win this year, and they are ready to take on LMU. The Cavaliers are not interested in LMU's 3 point spread, and they will do what it takes to beat LMU. They are looking forward to a good game and will give their all to win.

The second half started with a solid defensive effort by C.V.C. but then the big east LMU took hold and completely controlled the ball. Within a short period of time, LMU was ahead and not looking back. In the last quarter, LMU took the lead and never gave up. The Cavaliers put up a fight, but in the end, LMU won 73-67. The Cavaliers are ready to face LMU again and will work hard to get the win.
Girls Volleyball Comes To A Close by D. Wood

The Clinch Valley College Volleyball team under Coach Robert Ledford, finished their regular season of Mountain Collegiate Athletic Conference play. Despite two defeats, the team was able to enter the conference tournament as the number two seed. However, the team's season ended in the first round as they were defeated by the Minotaur of the University of Kentucky. Despite this setback, the team must be commended for their efforts throughout the season.

CVC Faculty Dominate Tourney

The first annual Clinch Valley College Tennis Tournament was held at the College. The event was a great success, with the faculty dominating the tournament. The winning teams were as follows:

- Bobbi Davis, Bill Bell, Jerry Bullard, Roger Maggard, and Larry Bennett won the singles division.
- Bobbi Davis, Bill Bell, Larry Bennett, and Roger Maggard won the doubles division.

Golf Team Loses Match

Pikeville College Golf Team Loses Match at Lonesome Pine Club in Jenkins on October 15 after their final K.I. Hogan won the first 5 games and the set 6-1. The second set looked like it was going to be close as well but Wood burned off fast and won the match 6-2, 6-0.

Speedewown Pilfers Along... Pilferhogg Speeds Ahead

by: The Cavalier Critic

The mayor of the Town of Minotaur, the Minotaur, announced the appointment of a new police officer, Officer Smith, to the force. Despite the city's efforts to maintain order, pilfering incidents have been on the rise. Officer Smith, a seasoned police officer, is expected to bring a new level of professionalism to the force.

The Making

Professor X: What Is your favorite thing about The Laundry? The Minotaur, the husband of the director, is a character who appears in the play. His presence is felt throughout the performance, with the audience becoming aware of the character's influence on the actions of others. The Minotaur serves as a symbol of the character's influence on the audience, as well as a reminder of the character's role in the play."
Chess Club Beaten By Bristol

CVC's Chess Club went down to its third successive defeat in its one year history on Saturday, November 3, when it lost to the Bristol Chess Club by a score of 10 - 3 in a two round match. Only Maurice Gillison and Johnny Carson were able to salvage wins. All seven of the other CVC players (who choose to remain unnamed) suffered the ignominy of defeat.

SCHEDULE

SCA Heors Plan For Election Of Highland Cavalier Editor

The Student Council heard a proposal for a new system of selecting the Editor of the Highland Cavalier in their meeting on Monday, November 5th. J. Jack Kennedy, Jr. presented the proposal which called for the student body to vote on candidates for Editor of the campus newspaper after the Publications Committee would screen those interested in running as to their qualifications. Kennedy insisted that this was a move designed to give students a more responsible role in campus affairs. The Student Council appointed a committee composed of Patrick L. Thompson, Edward Dulan, Royce Mullins, Roger Delp, and Vicki Woodward to study the proposal's impact.

BIRTH CONTROL PILL DISCUSSED

A representative from the System Pharmaceutical Co. will be on campus November 13 at 9:30 a.m. and 2:00 p.m. as well as at 9:30 a.m. and 2:00 p.m. on November 14th. This representative will discuss the birth control pill. He will explain many of the problems and answer any questions concerning birth control medications. See Nurse Myers for further details.
