Dr. Norman Graebner
Internationally Known Historian
To Visit CVC Friday

Dr. Norman Graebner, Stetson Professor of History at the University of Virginia, will lecture on the Clinch Valley Campus on Friday, February 8th at 11:10 a.m. in the New Administration Building Lecture Hall.

Dr. Graebner was born in Kingman, Kansas on October 19, 1915. He received his Bachelor of Science degree from the Wisconsin State Teachers College in 1939, his Master of Arts degree from the University of Oklahoma in 1940, and his Doctor of Philosophy at the University of Chicago in 1940.

His teaching experience includes periods at Iowa State University, the University of Illinois where he was chairman of the Department of History, and Stanford before coming to the University of Virginia.

Professor Graebner is a writer of note in several historical fields. Some of his books include: The Cold War, Ideological Conflict or Power Struggle, The Enduring Lin­coln, Cold War Diplomacy 1945 - 1968, and Empire on the Pacific. Classes will be held on a Convocation schedule to allow as many students as can attend.

Wise County National Bank Donates $1000

Clinch Valley College is pleased to announce that Wise County National Bank has contributed $1000 to its scholarship fund. Mrs. Lelia M. Richmond, a member of the Board of Directors, presented this gift to officials of the college last week.

This fund will be used for area students who show academic promise and can demonstrate need. Over the years Wise County National Bank has assisted a large number of students some of which are now residing and employed in South­west Virginia.

Appy Seminar Hosts ETSU Fiddler

The Appalachian Mountain Music Seminar will meet at Clinch Valley College in the Seminar Building on Wednesday evening, February 5th at 7:30.

The program for this evening will be old-time early country music from the fiddle and banjo. Richard Blautstein, a musician and anthropologist from East Tennessee State University, who has been studying mountain fiddle music will speak and play. Beecher Smith, an old-time fiddler from Scott County, will also be performing.

A film entitled "High Lonesome Sound" featuring Breece Holcomb of Kentucky on banjo will also be shown. The film will feature songs of religious worshippers, miners, and farmers in Eastern Ken­tucky. The public is welcome to attend. Y'all come!

Mrs. Richmond presenting $1000 check to CVC Financial Aid Director, Jim Humphreys
Intramural Success
It's In Your Hands
by Roy W. Baker

The men's intramural program opened with a bang thanks to a little luck, this season should have been a success in the rain. The fund this year is up to eleven men, two of which are made up of the winning teams of the spring season.

The intramural program is based on a system of points. With the intramural season over, we will have games, which will be about six games per team. It is required that all teams play in the tournament, each team is to play in the open class until the Thursday night. We have a little luck, this season should have been a success in the rain.
Let's Assume

That when you graduate — whether in December, May, or August, you're planning on being employed, at a good salary, with good fringe benefits.

And That

You plan to keep that first job for at least 2-3 years.

But That

You'd like the option of advancing further in that job or moving on to another employer after 2-3 years with some practical experience in management under your belt.

Stop by the Lobby of the Zehmer Building and talk about good salaries, good fringe benefits and enjoyable jobs on the 4th and 5th of February 1974.

Don't Delay

Cavalette Surprise Emory
by Danny Wood

Emory and Henry's girls came a little bit of a surprise to me. Expecting to have much trouble with our small Cavalettes and not at the end of the first quarter, I was ready to agree. Emory and Henry started off fast and as usual, our girls started off cold. Emory led only 6-4 but behind before CVC realized the game had really begun. When our girls did wake up, the quarter was over and Emory was up 42-33. The second quarter was a complete turnaround. Clinic Valley led 29-25 at the half. Even our girls went cold. Our girls went ahead for the first time 20-19 with 1:19 left in the half and had to hang on for 32-20 lead at the half.

Neither team was very effective in the third quarter as CVC scored 20 points as Emory managed only 17. The third quarter score was 36-24, CVC. The fourth quarter was a low scoring quarter for both teams. Emory started off fast but outscored our Cavaliers 7-2 to tie up the game at 36 all with 6:47 left. From there it was tip and tuck as both teams gave it everything they had. Emory scored to take the lead at 38-36 but Robie Robinson tied it with a jumper at 1:47 left. Sixteen seconds later Robie once again rang the bell as she converted two free throws to give CVC a 40-38 lead. Emory tried frantically to catch up but Nancy Jones put the Cavaliers in a driving lay-up with 22 seconds left to make the final score Clinic Valley 41, Emory and Henry 38.

This was our Cavaliers first win of the season and was well deserved. Emory and Henry played a great ball club, evidenced by the fact that they had beaten Madison College, whereas, Madison defeated our girls by 36. This also goes to show the improvement the Cavalettes have shown recently. Emory should be very proud of this win.

Picking a single outstanding player for the CVC game was very hard for me, because all of the girls played very well. They shot well, they played defense, they played team ball. Nancy Jones had it all for 1 point 4 shots in a row and 6 foul shots. Becky Beverly had 8 points and 4 rebounds. She started the game with all her heart. Every one was great, every player was important, which is why it is so hard to pick a single outstanding player. Those final two minutes of the game, the girl with the jumper and the tie score later in what proved to be the winning points for CVC. Robie was leading scorer for the Cavalettes with 15 points and her 7 for 7 from the free throw line. Congratualtions Robie, Congratulations Cavalettes for another great win.

CVC scoring: Nancy Jones 14; Jennie Chapman 3; Becky Beverly 8; Robie Robinson 7; Marjie Mabe 6; Gall King 6; Kathy Mullins 6.

Team stats were pitiful! Becky Beverly: 0 points on 1 for 2 from the field and 2 for 4 from the free throw line. Jennie Chapman: 2 points on 1 for 3 from the floor.

Nancy Jones: 18 points on 8 for 24 from long range and 5 for 5 from the free line.

Kathy Mullins: 7 points on 3 for 10 from the field and 1 for 4 from the free line.

Rebounding
Nancy led with 12 followed by Kathy with 10, Gall and Jennie had 8, Marge had 3, Beck had 2 and Robie and 1.

Turnovers
Robie 5; Nancy 1; Jennie 1.

Assists
Gall King had 1.

Turnovers were pitiful! Clinic Valley hit on only 14 shots out of 36 attempts for a 39 percent average while Lincoln Memorial was hitting a 25 percent average on 18 of 64 attempts. From the free throw lane: CVC was 7 for 10 while LMU was 7 for 25. The 2 teams had 35 rebounds while the much taller Railplotters had 48.

True, by looking at the statistics it appears as if we outplayed poorly, but that really wasn't the case. Granted, they should very badly but they accented only 7 turnovers so their ball handling was good. They rebounded much better especially considering that they were much shorter, and they hustled. Girls, you may have lost but we can take pride in our improvement in many areas. Keep up the determination and spirit and please practice your shooting!
