Clinch Valley College will celebrate its 25th anniversary.

The Virginia Foundation for the Humanities and Public Policy will hold a public forum on Wednesday, April 10, at 7:00 p.m. in the Jefferson Lounge of the College.

The forum will feature Richard Blaustein, Professor of Political Science at the University of Virginia, and six members of the Board of Visitors - Mr. Walter H. Simmons, Mr. Warren B. H. Herford, Jr., Mr. William E. Leggett, Mr. John R. McWhorter, William L. Zimmer, and Mrs. Horace Steel. The Reverend Raymond C. Bice, Secretary of the Board will also be attending.

The forum will be held in the Founder's Day Program Thursday:

New Fraternity At CVC

by Bernard Tate

A new fraternity called Sigma Epilepsis X is being organized at Clinch Valley College. Much of the red tape is behind it now, so it looks like organizational meetings will get underway.

This fraternity is unique because it is co-ed.

It will have no "Little Sisters" chapter; female members will have rights and responsibilities equal to the men. Thus should Sigma Ep be called a "fraternity" or a "sorority"?

At this time, Sigma Ep is governed by a temporary committee. The members are Craig Runyon, Hila Jo Bing, Greg Marshall and Bobby Whicker. 15 to 20 people of both sexes are interested and they'll meet for the first time Tuesday, April 9 at 4:00 p.m. (The meeting place will be posted later.) Sigma Ep's early meetings will focus on the motto, flag, sponsors, officers and so on. The fraternity is currently independent but hopes to join a national fraternity in the future. Fees and by-laws are tentative at $15.00 per semester.

According to Craig Runyon, the idea for a co-ed fraternity was born in CVC's Sociology of Women class. The fraternity itself began a month ago with people talking on the McCrady Hall porch at 1:00 a.m.

Sigma Ep hopes to organize in honor of Mr. Philip Kappa fraternity while enjoying a healthy, friendly rivalry.

Political Science Club Organizes

The newly formed CVC Political Science Club met for the first time on Tuesday, April 2, in the Post Office area. The half dozen interested students in attendance were called to order by Fred Beving, a senior political science major, and Mr. Joseph Schloinick, Professor of Political Science.

The initial discussion of the group centered around the purpose of the club and how to spread the word that the club's membership wouldn't be limited to Political Science majors but would be open to every department in the College.

A second meeting was called for Wednesday, April 10, 12:30 p.m. in room 2302. All interested persons are encouraged to attend.

Fiddlers Featured At Seminar

The Appalachian Mountain Music Seminar will meet Wednesday, April 10 at 7:30 p.m. in the Jefferson Lounge at Clinch Valley College.

The program for this week will feature Richard Blaustein playing fiddles with Mr. Doug Mills on his viola. Mr. Blaustein teaches anthropology at East Tennessee State University and is doing research on fiddle music. He is also a collector of fiddle tunes throughout the area, has won a number of fiddle contests. One of his specialties is singing international ballads. Also on the program will be the Reverend Julian Wallace, Pastor of Pound Methodist Church and Westover Foundation campus minister to CVC.

The welcome will be given by Mr. Gregory Ray Stewart, President of the Clinch Valley College Student Council. Dr. Brownie K. Polly, Jr. will introduce the speaker for the evening, Dr. Frank L. Herford, Jr., President-elect of the University of Virginia.

The J.J. Kelly High School Band, under the direction of Mr. Michael V. Bryant will perform before and during the program.

There will be a number of distinguished visitors at the program including Mr. Sam Crockett, First Director of the College, Dr. Daniel Marvin, Jr., Director of State Council of Higher Education, and two former Provosts, Dr. Joseph L. Vaughan and Dr. Eugene Feige.

Other distinguished visitors that will be attending include Dr. Edgar P. Shannon, Jr., President of the University of Virginia and six members of the Board of Visitors - Mr. Walter H. Simmons, Mr. Warren B. H. Herford, Jr., Mr. William E. Leggett, Mr. John R. McWhorter, William L. Zimmer, and Mrs. Horace Steel.

Raymond C. Bice, Secretary of the Board will also be attending. While visiting the campus the Board of Visitors will be in a regular business meeting in the Lecture Hall of the New Administration Building at 4:00 p.m. on Wednesday, April 10. Students are invited to attend the meeting, which will be open to the public.

The Virginia Foundation for the Humanities and Public Policy will hold a public forum on Wednesday, April 10, at 7:00 p.m. in the Jefferson Lounge of the College. The Virginia Foundation for the Humanities and Public Policy will also be hosting the Founder's Day Program Thursday:

A Commentary

Over the past few years an editor of the campus weekly I have been learning a few new tricks to make the paper more readable and interesting. I'm thinking of them as they often are locally called "tricks." I've been very pleased to see that my efforts have been rewarded. I know this because the editor of the Student Council, in my capacity as a member of that body, has been very attentive to the introduction of new ideas and the exchange of different opinions. To begin with, the Student Council has decided to start publishing a local column each week. The column is called "Letters to the Editor." This is a real innovation, and I'm very happy about it.

The Legacy: A Comment On The Human Race

There is much to be said about the "Letters to the Editor" column. It is an excellent way to encourage students to express their opinions and to engage in a thoughtful exchange of ideas. It is also a great way to create a sense of community and to foster a sense of responsibility among students.

The Upward Bound Office is now accepting applications for the 2023 summer employment program. Several tutoring and counseling positions are open for college students who qualify for the College Work Study Program and are interested in working during the summer. To apply, please visit the Upward Bound Office website or contact the program director for more information.

Dear Editor,

The following is an open letter to the "Letters to the Editor" column of the Student Voice. I am a student at this university, and I am writing to express my concerns about the current state of our campus. I believe that we need to work together to address some of the issues that are confronting us.

Sincerely,

Men Loses First Match

The CVC Men's Tennis team brought their eight (8) match winning streak to a screeching halt Monday April 1st as they lost to Tusculum College 7-2.

The CVC was without the number 1 man Danny Wood, who was out with the flu, so every man moved up a notch and Andy Kersey joined the lineup for the varsity match. Here's how the scoring went for the windy day: John Blunner beat Turk Bond 3-4, 6-4, 4-6; Larry Hilde beat Ray Yates 5-4, 0-6; Jim Kinney beat John Glossary 5-7, 6-1, 6-3; Dan Wrenn defeated Pat Thompson 6-1, 6-3; Ed Majeski over Bruce Higa 8-4, 4-6, and Jim Stone over Andy Kersey 6-3, 6-3.

in the doubles play CVC didn't fare much better. Blunner and Hilde beat Bond and Kersey 8-4, 6-2. Wrenn and Stone overcame Yates and Keene 2-6, 7-5, 6-3; and Thompson and Higa defeated Glossary and Majeski 8-5, 8-3 for CVC's only doubles win.

This was CVC's first loss in almost a year.

Crockett Hall Mystery Solved

by Bernard Tate

Back when we were living in Crockett Hall tabs, those were the days! We were sometimes startled by a Phantom Noise. It was a loud, high pitched drumming sound, like an M-1 fired in a rubbish bin. We, usually heard it in the spring, early in the morning and we never did find out what it was. Oh, all of us were nullcr Hall has had such little mysteries.

Anyway, last week the maintenance staff was in Crockett Hall when the Phantom Noise struck again. They investigated and found a woodpecker enthusiastically beating his brains out on an aluminum gutter! Which just goes to show what we men have said all along: Crockett Hall was a happy home. Even a woodpecker knows that!
