An Overview of CVC's proposed Chapel of all Faiths.

CVC Chapel Fund Continues Growth

Taken from Coal Field Progress

The Chapel fund at Clinch Valley College continues to grow.

Vermont DslOI.

The construction of a Chapel on the campus at Clinch Valley College hovers nearer to reality every day. Support for this project continues as additional contributions are made by friends of the College.

The idea for building the Chapel was initiated by the William B. Cohen, an Attorney in Louisville, Kentucky and a member of the distinguished Cohen family of Norton.

William Cohen's brother the Wallace M. Cohen, an Attorney in Washington, D.C. joined his brother in initiating the building of the All Faiths Chapel for Clinch Valley.

The Cohen family and their friends have contributed approximately $25,000 toward this facility. Recent donations were received from E. B. Leisinger, Jr., President of Westmoreland National Bank, William B. Cohen, the Wise County National Bank, and Mr. and Mrs. Leslie Mullins, Mr. Mullins is Chairman of the Clinch Valley College Advisory Committee.

During the recent Christmas holidays, Susan Winklemann, granddaughter of Mr. and Mrs. Wallace Cohen came to Norton to work in the family store.

The Appalachian Seminar at Clinch Valley College meets 2 o'clock each Wednesday evening in the Lecture Hall of the Administration Building.

This semester (Spring 1975) the seminar will focus on the natural history of the Appalachians, with sessions dealing with geology, wildlife, forests, coals, resources, edible plants, birds and medicinal herbs as well as some emphasis on land use plans, conservation and man's use of his environment. Additional lectures by local and regional persons. Field trips will be planned in the future to study wild flowers, collect greens, identify trees, and hike some of the interesting trails.

Professor Phil Shibley will deliver the first two lectures - January 30 - Geology of the Appalachians.

February 5 - Natural history of the Appalachians.

Those who take the seminar for credit will carry out a project related to the environment and may present a program for the seminar or lead a group on a field trip.

Plans are now made to go to the Pine Mountain Settlement School in April for their wild flower study.

The Buckley Amendment

The amendment provides a student with the right to inspect and, if necessary, to challenge any information maintained by the educational institution about the student. The law also requires schools to destroy any information that is not properly maintained, or in which the student is not permitted to inspect. The Buckley Amendment gives students the right to request that information be corrected if it is found to be inaccurate or misleading. In addition, it requires educational institutions to inform students of their rights under the law, and to provide them with reasonable access to their education records. The law also prohibits discrimination against students because they exercise their rights under the Buckley Amendment.
Cavaliers Short On Wins ... Big On Desire

by Danny Wood

The Clinch Valley College Cavaliers are off to their worst season of Coach Dave Reaser's tenure with a record of 4-12. After a brilliantly successful season as their first five games, C.V.C. has dropped seven of their last eight. The Cavs currently sit at 147 in the rankings.

The basketball team left Greater Gymnasium Friday the 13th with their long drive back to Staunton where they met Lynchburg Baptist that night. Clinch Valley had narrowly missed beating Baptist at home a year ago by two points and one could feel the anticipation of victory as the team quietly dressed in their locker room before the game. At half before the game, the stands were nearly full and the enthusiastic fans as they utterly went berserk over their team - Lynchburg Baptist. Clinch Valley broke fast and jumped out to an early six point advantage. Coach Reaser was able to keep his point lead into the locker room at half time and stretch that to twelve at the final buzzer 93 - 79.

In their stomach as if that night as everyone felt a disappointment road trip that had beaten Eastern Mennonite Monday night. The Cavaliers had the second point lead. The subs lost no time getting warmed up as they drove back to Staunton where they took on Lynchburg Baptist only to see Hampton Sydney soar into the locker room at half time and slimmer four point lead at half. The subs lost no time getting warm up as they stretched that to twelve at the final buzzer 93 - 79.

The win brings the Cavaliers record to 4-12 as Radford travels to L.M.U. on the 22nd and to Emory and Henry on Saturday Feb. 2nd. Come out and support the rejuvenated Cavaliers.

(CVC Recap): Jerry Myers - 36 points on 10 of 22 field goal attempts and 6 of 9 charity issues. John Fields - 4 points on 2 from the floor and 2 free throws. Major Griffey - 14 rebounds and 26 points on 11 for 13 from the field and 4 for 6 from the free throw line.

Fred Gose - 7 points on 3 for 6 field goal attempts and 1 for 2 foul shots. Andy Kersey - 11 assists and 5 points on 5 for 7 charity throws. Turk Bond - 2 points on 1 for 1 from the floor.

Danny Wood - 6 points on 3 for 3 field goal attempts. Jerry Fields - 4 points on 4 for 4 foul shots.

Final Score: CVC 93 - Radford 79.

Cavaliers End Losing Streak

by Danny Wood

Fred B. Greener gymnasium witnessed the Clinch Valley College Cavaliers formally end their longest losing streak ever. The Cavaliers had been on the losing end for an entire year and looked to get back on the winning track. Although scheduled with facilities was a problem during the Fall Semester, we still produced 47 championships in tennis, football and volleyball. After a 4 month layoff because of lack of awards and certificates are finally available from Mr. Elsasser in the Intramurals Office. Please pick up your award at your convenience.
