Oktoberfest To Be Held October 3, 4

The annual Oktoberfest, sponsored by Phi Sigma Kappa, is slated for the weekend of October 3 and 4, 1980. Oktoberfest is a time of games and fun which has been held the past three years. Organizations set up booths which hold games for the entertainment of the participants. In the past, a fee of \$15.00 was charged to set up a booth, but there is no charge this year.

There are also beer and food available at the Oktoberfest. Steve Duffy, President of Phi Sigma Kappa, described Oktoberfest by saying, "It's like a carnival, where everybody has a good time."

Oktoberfest will begin between 3 and 5 p.m. on Friday and will last all night. It will begin earlier on Saturday and again, last all night. These activities will take place between the Zehmer and Science Buildings. This year, the SGA will provide money to hire a live band for each night.

Some of the usual booths are a pie eating contest, sponsored by the Phi Upsilon Omega, and a keg throw and sponge toss, plus new ones sponsored by the Phi Sigma. There will be prizes and fun for participants. Last year, a water drop was set up and was a big success. But so far, not many groups have asked about booths. Duffy urged more to participate and get in touch with him if interested.

There will be a 25 cent admission fee charged which is mainly to cover for proper ID's. This year Mountain Empire Community College students with ID's will be allowed to attend.

Steve Duffy (left) of the Phi Sigs prepares to ask the SGA for money to get a band for Oktoberfest. The SGA approved.

Convocation Scheduled

There will be a memorial service for Paul L. Steinmarc and Jackie Ray Staros on Wednesday, October 1, 1980 at 10:30 in room A100. Rather than having the service for Paul and Jackie during the summer, we decided to wait until fall semester since most of the student body and many faculty members were not on campus at the time of the tragedy.

The faculty members of the Division of Professional and Social Sciences are planning to purchase a fossil display case in memory of Dr. Paul L. Steinmarc. Any member of the college community who would like to contribute toward this project should give contributions to Rhonda Stanley, A215, Wanda Mullina, Z121, or Brenda Whitaker, S115.

Because of the memorial service, on October 1 we will observe the following convocation schedule.

CONVOCAATION SCHEDULE Wednesday, October 1, 1980

Block I	8:40 - 9:25
Block II	9:25 - 10:20
MEMORIAL SERVICE	10:30 - 11:30
Block III	11:40 - 12:25
Block IV	12:25 - 1:20
Block V	1:20 - 2:15
Block VI	2:25 - 3:10
Block VII	3:20 - 4:05
Block VIII	4:15 - 5:00

Freshman Elections Slated

By Betty Smith

The election of freshman representatives to the Honor Court and the SGA will be held on Wednesday, October 8. According to the SGA Constitution, freshman representatives must be elected during the Fall semester before the second week in October.

The freshman class will elect four representatives to the Honor Court. From these four, the one with the least number of votes

will be designated as an alternate member of the Court. If a vacancy should occur due to the resignation or withdrawal of a regular member, the alternate will then take his position.

SGA representatives from the freshman class will also be elected. Freshman will elect three students to represent them on the Student Council.

Candidates for these SGA and Honor Court positions should file a declaration of candidacy form

with the Dean of Students no later than five days before the elections are to be held. Any candidate for SGA representative must obtain fifteen signatures for recommendation. These forms are available in the office of the Dean of Students.

Any freshman who is carrying at least nine semester hours at Clinch Valley College is eligible to vote in the elections. Voting will take place in the hallway just outside the Jefferson Lounge.

Musical America Comes To Wise

By K. S. Ball

The American Musical Theatre will be the star on Saturday, October 4, when Pro-Art Association presents Musical America at J. J. Kelly Auditorium. The performance starts at 8:00 p.m. and features five singer-actors who have had a wealth of experience on and off Broadway.

The production is fully staged and costumed and includes hit songs such as "Ol Man River," "Camptown Races," "Give My Regards to Broadway," "Bess, You Is My Woman," "The Rain in Spain," "If I Were a Rich Man," "The Impossible Dream," and a host of others from more than twenty great American musicals. The production starts with excerpts from the earliest American musicals and works its way through to the great musicals of today.

On Friday, October 3, at 8:00 p.m. in the CVC Drama Building, the cast of Musical America will

offer a workshop. Subjects to be covered include performing, audition and rehearsal techniques, as well as practical advice for beginning professionals in theater. This session is open to the public by reservation and for a \$5 fee.

For workshop reservations or further information, call 709-525-8252. Tickets are on sale at the CVC Post Office for Saturday's performance of Musical America, at \$6 for adults and \$4 for students. These activities have been jointly supported by a grant from the Virginia Commission for the Arts and the National Endowment for the Arts.

Tryouts for women's basketball began last week.

Letters Policy

The Highland Cavalier encourages all persons who wish to express themselves to write a letter to the editor. All letters must be signed to be printed. Names will be withheld by request and at the editor's discretion, however the original letter must be signed. In addition, the editor has the right to edit and/or reject letters that violate the guidelines as set up by the publications committee. Send all letters to Box 1127 by Thursday, 3:00 p.m. each week.

Aluminum Recycling Requested

Offices or shops with their own drink machines may want to set up some sort of aluminum recycling program. This can be done by simply setting a box, barrel, bag, etc., in a specific spot, preferably close to the drink machine, and labeling it appropriately. Cans and household aluminum can be redeemed at the Reynolds Recycling Truck in Norton or St. Paul each Wednesday at 25 cents a pound, or earn up to 35 cents per pound

at various metal salvage places in Bristol or Kingsport. The Mountain Empire Older Citizens are requesting pick-up sites where they may collect aluminum to sell for their emergency fuel fund. If your employees are interested in saving aluminum but don't want to bother redeeming it, call Zelma Akchel at Mountain Empire Older Citizens, Wise 228-2302, and she will arrange a collection schedule.

By Our Standards Apathy...Again?

Each week the editor is faced with coming up with topics for editorials. Some weeks I sit for hours just trying to come up with topics to write on. I try to steer away from making controversial statements because the Highland Cavalier is a student newspaper and the views of the student body are expected to be printed. My views may not even correspond to the views of the students and immediately I would receive criticism for printing them.

As you know, the only way the Highland Cavalier is going to know the views of the students is if we receive letters to the Editor. Letters to the Editor should refrain from violation of the guidelines and the author should always sign his or her name.

In addition, the Highland Cavalier is always looking for new staff members who are willing to work weekly for the paper. And last, if you have an

opinion on what articles should be covered in the newspaper feel free to drop a line in campus mail addressed to the Highland Cavalier. Valeri Jones or myself would also be glad to discuss any problems or ideas you have concerning the Highland Cavalier.

Remember, it's your paper! If the paper doesn't have enough letters to the editor, take the time to write one. Let's not let apathy kill the newspaper.

BSU Plans Outreach '80

The Clinch Valley College Baptist Student Union is participating along with BSU's all over the United States in Outreach '80. The purpose of Outreach '80 is to give every student and faculty member on college and university campuses where we have Baptist student work an opportunity to hear about Jesus and be involved in a local church.

Roy Cotton, talented singer and musician will be at CVC for Outreach '80. Roy is Director for Summer Missions, International Students and Black Students for the Department of Campus Ministry of the Virginia Baptist

General Board. The 29 year-old native of Dallas, Texas, is a graduate of the University of Texas at Arlington where he received the Bachelor of Arts Degree in sociology and history. He received the Master of Church Music degree at Southwestern Seminary and has served on the staff of a number of churches.

On Friday and Saturday the BSU will be having a SHARE Seminar and overnight retreat at the United Student Center with students from Concord College in Athens, West Virginia.

You are invited to participate in each of these activities. For more information, contact Mary Beth Yarborough, BSU President of Judy Cole, BSU Vice-President for Outreach.

Pi Kap News

By Stephen Beaster
The brothers of Pi Kappa Phi Fraternity are pleased to announce that they have completed another highly successful rush. As a result of bids sent out the following men have become Associate Members of the Fraternity: Danny Poteet, Jon Hunnicut, Dennis Hillman, Walter Little, Ray Ross, Scott Cooper, Robert Eanes, Mike Henson, Wes White, Rick Cole, Keith Denson, Jody Evans, and Richard Grabel. In addition, the Associate Members have elected Danny Poteet as their

President, and Rick Cole and Treasurer.

We would like to congratulate these men on their being selected and we welcome them into our brotherhood. They now face a period of learning after which they will be initiated as full Brothers of Pi Kappa Phi.

We would also like to extend our thanks to the college community for its support of us in our functions this semester. We hope that we can continue to offer these and other activities to the students throughout the school year.

KOB News

By "Doc" and "Colonel"
The members of the KOB "Filthy Five" will be going to Pound Gap Friday night armed only with a 55-gallon Keg of Industrial strength Lyeol, for our First Annual Buster the Body Crabbe Safari. Points will be awarded for each assault. If any member (or members) score, the trophies will be mounted above

the fireplace in the Jefferson Lounge. If any casualties result from misfire, they will be rushed immediately to the Damsman Clinic in the KOB A-Car, where they will be treated for shock. Social Director Colonel and Chief Initiator Doc will be on hand with scorecards and cheap advice. Refreshments will be served at Half-time.

Phi Upsilon Omega Honors Pledges

On September 22, a tea was held at the United Student Center honoring the new pledges for Phi Upsilon Omega.

The pledges, eighteen in all, enjoyed various refreshments and were once again congratulated on their acceptance by the sorority.

Highlighting the evening were guest speakers Mrs. Bill Hooper and Mrs. Richard Davidson. Each spoke of their own personal experiences with past sorority life and shared many enlightening ideas in hopes of showing each girl just how memorable and rewarding sorority involvement can be.

We would like to thank both Mrs. Hooper and Mrs. Davidson for their inspiring "words of Wisdom" and also our thanks to our pledges for having helped to make the evening a success.

Greetings, fellow Greeks and other students! The brothers and sisters of Phi Sigma Kappa are gearing up for the Octoberfest, to be held the first weekend in October. This year we plan to

have more games, plus the traditional keg throw, pie eating contest and chugging contest. So, be prepared for the time of your life.

The associate members of Phi Sigma Kappa are raffling two

tickets to the October 2 All-Holmes closed-circuit fight to be seen at Freedom Hall Civic Center in Johnson City. Tickets are now on sale for one dollar a chance. If you want a ticket, find an associate member.

News From Phi Upsilon Omega

"A good time had by all" could well describe Phi Upsilon Omega's first dance which was held on September 18, 1980 from 9 till 1.

Movement was continuous as the crowd was turned "Upside Down" by the funky sounds of the Dance Factory. Near the closing of the night, newly accepted pledges were welcomed with a round of applause from the crowd.

Our thanks goes out for the

support shown at our dance and we hope to see you at our next function on October 24th. This will be our Banquet Festival which will be held in the gymnasium. Two area bands will be featured and refreshments provided. Advance tickets will go on sale Monday, September 29th. Cooperative Education — Everyone Benefits

By Jerry Kilgore, Editor
Many students go through their college years just learning

but wouldn't it be a great asset to have related work experience in your major field of study? A program of this nature is called Cooperative Education which began in the Spring of 1975. According to Winston Ely director of Cooperative Education, "A work experience of this nature will also aid the student in deciding if the profession he has chosen is right for him. Ely commented that the idea time for Cooperative experience is in one's late sophomore or early junior year. Through two plans, the student is making the adjustment from college life to the working world and receive money for their work. The first type of program is the Alternate Plan. Under this plan a student has specific periods of attendance in the classroom and specific periods of employment. These blocks will be of one semester duration.

In the parallel Plan a student attends classes in addition to working part-time on a job related to his educational objectives. The values of Cooperative Education include the involvement of each of its components: the employer, the student, the college, and the community. To the employer, the students are able and enthusiastic workers—eager to learn. The employers may also use Cooperative Education as a useful tool in recruitment of permanent employees. And last, the professional staff is motivated to continue learning in order to keep up with the student's questions. The college benefits from Cooperative Education because contact with the business community is strengthened. The college recruiting staff is able to tell about the Cooperative Education program to

prospective recruits thus running the possibility of enlarging enrollment. To the community, Cooperative Education helps to bridge the gap between college and adult society and affords an effective way for the community to aid in the transition from college life to working life. Most of all, the students benefit. The principles learned in the classroom are reinforced and given concrete application during work assignments. Cooperative Education makes classroom studies more

relevant. In addition, the student, by graduation may have at least one year of professional experience. Last, the student can offset some of the cost of college by working in Cooperative Education. As we can see, the key work is Cooperative, together the student, the college, the community, and the employer make Cooperative Education a success. Cooperative Education places approximately 35-40 students in jobs each semester. Remember though, the time to start is now.

"The School For Scandal!"

A Review

By Mark Poteet
You think soap operas are new, right? Wrong! You think that J.R. is the prototype of a villain, right? Wrong again! Tuesday night the Clinch Valley Theatre presented a reader's theatre version of Richard Brinsley Sheridan's "The School For Scandal". Sheridan penned this delightful comedy during the Restoration period of English drama. A period some may remember for the excellent precursors works of Wycherley and Congreve. But I prefer to remember it for the most famous. Kathy Anderson portrayed Lady Sneerwell. You know from the program that this isn't going to be a nice person, and Miss Anderson's performance of an offensive character came across beautifully. Gary Slomp as the hypocritical Joseph Surface complimented Charles Lewis as his brother the prodigal Charles Surface. Joseph was supposed to be the hero whereas Charles was the hero, kinda. Jack Mahony and Elaine Kiser as Lord and Lady Teazle shone new light on domestic tranquility. Their verbal fist fights were wonderful. Robert Irie as the (returned from a long journey) uncle of the Surface brothers was full of bravado and incidents at the same time. The large cast prevents me from mentioning everyone. But all performed in beautiful concert to make "The School For Scandal" extremely enjoyable. I even think I learned something.

Faith Works

By Jim Collie, Baptist Campus Minister
Tucked way over in the back of the Bible is a short letter by a fellow named James. It is a very appealing thesis that James sets forth. One that is often neglected. That thesis is that "Faith works." Faith makes a difference in the way that we live day by day. Faith is practical. James speaks to selfishness, our prejudices and our rationalizing tendencies. He tells us how

to be a friend, how to serve others and how to watch what we say. Perhaps James was one of the first to say that actions speak louder than words. True faith shapes and molds our lives so that what we do gives evidence of what we are. What we believe is reflected in how we live. Check out James' letter and see what he says about how "faith works."

"Families In Transition"

A sociology course, "Families in Transition," will be offered cooperatively by Clinch Valley College and the Coastal Progress beginning September 30. Students may register or they may enroll at the initial meeting of the class, Sociology 485: Special Studies in Sociology. The course format will feature newspaper articles carried weekly in the Progress. Students must attend only two classes on

the CVC campus—the introductory meeting on September 30 and the last class at which the final examination will be given. They will be expected to do assigned reading and take the final examination. All other work will be completed at home, with students submitting reports and receiving assignments by mail. "Families in Transition" will emphasize different kinds of American family structures and

changes in the definition of what constitutes a family. Students should meet at 7:30 p.m. on September 30 in room 214 of the Zehmer Building at CVC. The course will be coordinated by Roger Irie, Associate Professor of Sociology and Anthropology at Clinch Valley College. Tuition is \$27.50 per credit hour for Virginia students not otherwise registered at CVC.

Tigers, Barbarians Tie In Regular Season

Well fans, the regular season portion of CVC's fall intramural softball season has been completed. Interestingly enough, the Athletics, the defending champs, finally fell, losing a pair of games to the Tigers and finishing third for the season.

The Barbarians, the dark-horse of this year's season, ended up tied with the Tigers for first place. The Phi Sigs and the Pi Kappes ended up tied with the Tigers for first place. The Phi Sigs and the Pi Kappes ended up bringing up the bottom.

In the Monday finale of Sunday and Monday the Tigers grabbed hold of first place with both hands by annihilating the Athletics in five innings 11-2, and outlasting the Barbarians 11-7 to

take a half-game lead going into Monday. Then in what may have been the best game of the year, the Tigers closed out their season with a 4-3 decision over the Athletics. The Barbarians salvaged a first place tie with a clutch 5-3 win over the Phi Sigs.

The captains of the three contending clubs has some comments about the upcoming post-season tournament. Dean Lee said his team was playing better than it ever had, and really likes his team's chances to win the tourney. He looked at it as a three team race between the Tigers, Athletics, and Barbarians. Jack Gibbs, Athletics mentor, made no excuses about his team's recent play but reminded

everyone that his team was still champions until they were beaten. Farley Lokhart, while impressed with the Tigers and the Athletics, thought his team was as good as any.

The tournament will settle

once and for all who the best club is. Will the Tigers keep their regular season momentum flowing and take it all? Will the Athletics find their hitting stroke? Will the Barbarians bring all of the 49 players of their

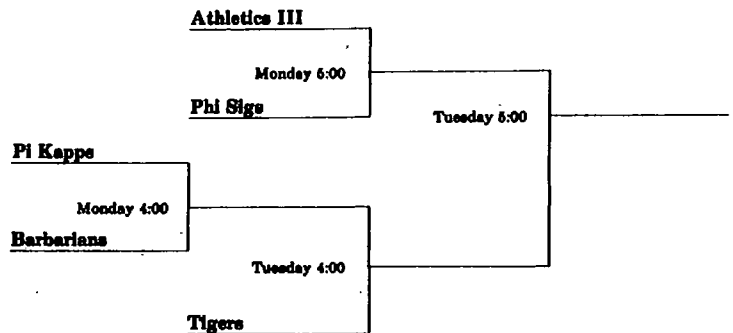

roster? Will one of the Frat teams turn out to be a spoiler? Will Crockett show up? The answers to these and other perplexing questions will be answered when the tournament starts today.

Final Standings 1980 Fall Intramural Softball

Women's Basketball Begins

Can you run a mile under eight minutes? Can you run a suicide in thirty seconds or less? How about shoot 15 lay-ups in one minute or make 15 out of thirty freethrows?

Sounds easy, huh? Try it. The CVC women's basketball team has to overcome three of these requirements to pass the conditioning part of tryouts. Coach Doris Hubbard is optimistic about the past two of the three days of conditioning.

Those trying out from last year's team are: Senior Deidna Wilkerson, Norfolk; Senior Trish O'Mager, Hazard, KY; Sophomore, Pam Osborne, Blackwater; Junior Nancy Perdue, Dryden; Junior Sharon Morris, Norfolk; Junior Kelee Gonzalez, Nokesville; and Senior Delynn Sisco, Clintwood.

New raw talent consists of Freshman Greer Davis, Clintwood; Freshman Angie Clark, Dryden; Freshman Pat Scott,

Jonesville; Freshman Lynn Robert, Damascus; Robin Schuler, Jonesville; and Senior Janie Cox, Found.

Women's Fall Tennis Begins

By Cindy Bayler
Many spring sports are organizing early this 1980-81 school year and the CVC women's tennis team is no exception. "It's great to have this much interest in the program," commented Coach Doris Hubbard. "I'm looking forward to working with the most promising and largest group of players in the history of women's tennis at Clinch Valley."

This already record-breaking team consists of 1979-80 returnees Marcia Adams, Peggy Simmons, Kim Still, Norma Peters, Carolyn Sutherland, and Susan Jarnolewaki.

Also participating are Donna Schoewald, Kim Adams, Greer Davis, and Nancy Perdue. Kathy South, Debra Mullins, Tammy Jenkins, and Lynn Roberts are also team members.
