

Planning Committee Proposes Changes In General Ed

A discussion of the General Education Requirements was included in the activities at the Faculty Retreat of the College in September, 1980. After the retreat, the topic was referred to the Planning Committee for consideration. The Committee reported recently to the Chancellor and recommended some changes in the current General Education Requirements. A meeting has been scheduled on Thursday, February 25, 1982 at 3:45 in A100a at which time faculty and students will be given an opportunity to express their opinions on the proposed changes.

The recommendations from the Planning Committee that includes the proposed changes follow:
Proposed Change in General Education Requirements

1. Introduction

As we all know, we live in a shrinking world where events around the globe have a great influence on our lives. We live, consequently, that over the next few years and decades

we must all learn how to deal more effectively with the people of other nations and cultures. Hence, we propose that a strong international education component be included in our general education requirements.

2. Proposed International Education Component (IEC) of the General Education Requirements (GER)

We propose that the present requirement of nine semester hours of courses that emphasize the cultures of non-English speaking peoples be replaced by a twelve semester hour international education component. The twelve semester hours will be distributed as follows: six semester hours in the Humanities, three semester hours in Math-Science, and three semester hours in the Social Sciences.

Within the GER in the Humanities, students will be required to take a course in World Literature (chosen from several offered by the English and Foreign Language Departments) and a second course

chosen from either History of the Arts or History of Civilization. Within the proposed Math-Science requirement, students will be required to choose one of several courses focusing on the concept of "space/ship earth", studying matters such as energy and food supplies, the natural environment, population problems, etc. To accommodate this new requirement, the total number of semester hours in the Math-Science portion of the GER will be increased from 10 to 13. Within the fifteen semester hour requirement in the Social Sciences, students will be required to choose either a course in international politics and economics or a course on different societies and social structures (taught in the Sociology-Anthropology area).

We believe the advantages of this proposal are numerous. Our students' knowledge of the world, its problems, and its possibilities will be increased. By requiring a course in World Literature, we have a means of improving the writing skills of our students. By requiring a

course on "space/ship earth", our students' knowledge of science will be improved in a manner which is especially relevant to them. In the final analysis the intellectual horizons of our students will be expanded and that, after all, is one of the fundamental goals of a liberal arts education.

3. Guideline for Development of IEC Courses

To ensure that the IEC courses serve the purposes discussed above, the following guidelines will be used in the development, instruction and staffing of IEC courses:

a) An emphasis on writing will be an integral part of each course.

b) English 101 will be a prerequisite to all IEC courses.

c) The content of each course must be genuinely international in scope and not focused on the culture of any one nation.

d) Each IEC course must have well-designed objectives, a syllabus that is accurate and realistic, and stated procedures for evaluating student perfor-

mance. Each instructor will adhere to these.

e) Each IEC course must be approved and reviewed periodically by the Planning Committee.

f) The IEC instructors should use, where appropriate, a multi-faceted approach to the course instruction including audiovisual materials, active student participation, and field experiences in addition to traditional lecture methods.

g) IEC courses will be scheduled annually so that students may satisfy the IEC requirement in a division without being restricted to one particular instructor.

h) IEC courses will be assigned a special set of numbers that will not be used for other courses.

4. Review of General Education Requirements

To provide for a periodic examination of the General Education Requirements, the Planning Committee will conduct a review of these requirements at least every three years.

PROPOSED GENERAL EDUCATION REQUIREMENTS

	Semester Hours
English Composition.....	6
(Depending on the proficiency demonstrated on an appropriate examination, a student may receive three or six semester hours of advanced standing in English composition.)	
*Humanities.....	15
(Art, dance, English, foreign language, history, humanities, music, philosophy, religion, theatre, and speech, with no more than six hours in one area. Must include one IEC course in World Literature and one IEC course in either History of the Arts or History of Civilization. Skills courses designed for specialized audiences may not be used to satisfy general education requirements.)	
*Mathematics and Science.....	13
(Must include one IEC course, at least four semester hours in a single science with corresponding laboratory, e.g., Biology 101 and 111, or Geology 101 and six semester hours of mathematics chosen from Math 101, 102, 103, 204 and 208.)	
*Social Sciences.....	15
(Anthropology, economics, cultural geography, political science, psychology, and sociology, with no more than six hours in any one area. Must include one IEC Social Science course.)	
TOTAL	49

*Courses that satisfy the International Education Component (IEC) requirements are designated in the catalog.

Forum Airs Opinions

by Valeri Jones

On Tuesday, February 16 an open forum was held to discuss the Honor System at Clinch Valley College. Members of the faculty committee on the Honor System, students, and faculty were present to discuss their views on the present Honor System.

George Culbertson presided over the forum and he presented two handout sheets. One was a copy of page 30 in the Faculty Handbook, which dealt with the faculty and its relationship to the Honor System. It specifically states: "Students and faculty accept an active guardianship of the Honor System. Since the Honor system has adopted by the students cannot work without the cooperation of the Faculty, it is necessary that the Faculty share collective responsibility with the students in encouraging and upholding the System." The options regarding this statement were decided as: (1) do nothing and let the system continue as is, or (2) Reaffirm the statement in the Faculty Hand-

book needed to be reinforced." He called an incident where one faculty member even said the honor system didn't apply. Joe Scolnick, a faculty member present at the forum, said "the Faculty Handbook is clear; the faculty are bound by the system. The professors are obligated to the system and those who don't comply should be dealt with."

The other handout contained the five recommendations the faculty committee made concerning the present honor system. These were not discussed in any detail during the forum.

The proposal which was made last semester by Glenn Blackburn to place faculty members on the court was discussed. Some of the students present saw it as a good idea; it would provide a sense of stability and continuity to the court. Others present felt faculty membership would be overpowering. Students wouldn't feel very comfortable if faculty members were placed on the court.

The forum aired many different views on the honor system and the committee will act upon the ideas brought out at the meeting.

SGA Plans For Spring Announced

Terry Kilgore, SGA President, has announced tentative plans for the Spring Semester. If accomplished, the plans would complete Kilgore's election rhetoric Eleven Point Plan.

On February 24, a speaker from the Wise Clean County Committee will present a slide show and discuss the committee's plans for Wise County. Kilgore also added that he is working with Dr. Peter Yun, Film and Lecture Committee chairman, on achieving a speaker that spoke at CVC two years ago.

Next, on March 27, the SGA

combined with other organizations will sponsor a concert by the Jazz Band in the gymnasium.

Continuing, Spring Clean-up is tentatively scheduled for the first week in April. Kilgore stated that this week will be declared Organization Participation Week and encouraged all organizations to participate.

The Olympics will arrive at CVC in the middle of April. Various activities are being planned for the week. Specifically, a 10K Run is on the

agenda for the end of the week.

Finally, the SGA will close out the year with the Spring Formal to be held on May 8. The theme for the formal is "Sweet Dreams" with students dancing to the music of Johnny White and the Elite Band. The colors for the formal are pastel colors of blue, pink, yellow, green, lavender, and white. The movement to move the formal to May 8 received opposition on the Council with Kilgore leading the forces. The council, however, passed the motion by a seven to five margin with two council members being absent.

Letters

Highland Cavalier's Letters Policy

The Highland Cavalier encourages all persons who wish to express themselves to write a letter to the editor. All letters must be signed and be printed. Names will be withheld by request and at the editor's discretion, however the original letter must be signed. In addition, the editor has the right to edit and/or reject letters that violate the guidelines as set up by the publications committee. Send all letters to Box 1127 by Thursday, 3:00 p.m. each week. All letters must be typewritten, unless they are neatly printed.

Thanks...

Dear Editor:
The Sisters of Phi Upsilon Omega want to thank everyone who attended the Valentine's Day Dance on February 11. Our Dress to Impress theme, we are pleased to say, was a success. Congratulations to the Phi Upsilon Omega King and Queen of Hearts, Lewi Weddell and Barbara Gilliam. Also, we want to extend our congratulations to Marcia Adams, winner of our Valentine's Day candy raffish.

Sisters of Phi Upsilon Omega

Again Thanks

Dear Editor:
Thanks to everyone who made "Singing Valentines" such a success and so much fun. We had a great time doing the project and appreciate the good spirit with which everyone gave and received "Singing Valentines."
All the proceeds will go the Summer Missions. This summer CVC BSU will be represented by Marianne Lewis at the Virginia Children's Home in Petersburg and Joe Baker who will be serving in West Malaysia. Thank you.

Godspeed,
The Baptist Student Union

Problems Of Security Or Insecurity (?)

Dear Editor,
Knowing that our paper is looking earnestly for items of interest suitable for reprintage, I hope you don't mind if I bring up a possible interest in the hopes our paper may seize upon it and possibly even expand upon the problem in question.
The item of interest is Security (some members) and their abusive attitude toward students in general. Now let me get this straight, these fine stalwart men are supposed to provide security on campus. So, why the macho trappings? The job is simple enough. True, things do happen and they may be needed. But instances are few and far between. So why should security wear guns for what is essentially an R.A.'s job anyway. A gun, a billy club, etc. is not needed to get some one to turn down the music. Town is very close, as is the police station. If guns are truly needed, they can be here quick enough.
Now the question of our gun-toting boys is an essential one when any type of correlation is made between the character of some of these individuals and the potential a gun represents. Now a gun and blaring walkie-talkie are fine macho extensions,

By Our Standards

We're On A Cavalier High

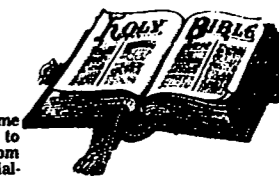

Congratulations are in order! The Cavalier basketball team has accomplished a great achievement—a winning season.
Cavalier fans have had to sit through seasons of only two wins and watch their team slaughtered by nearby foes. In fact, basketball was a laugh at CVC. Then, along came Dave Bentley. Bentley turned the Cavalier basketball program around and came close to a winning season his first year. Now, the dream is a reality.
This year the Cavs didn't lose to King, they beat Milligan and Bluefield, and turned away contenders for the KIAAC Crown. The student body at CVC finally became a factor in the games and Cavalier mania broke out as the Cavaliers' last home game with Pikeville (which the Cavs won).
But, the home crowd may get to watch the Cavaliers one more time. As of deadline, the Cavs were supposedly going to host a District 32 tournament game this week. If a game is played here, let's go out and show the Cavaliers that we know "we're on a Cavalier High!"

Sincerely yours,
Jerry Kilgore, Editor

Dean's List

The Dean's List of Distinguished Students for the 1981 fall term includes 23 first-year, 49 second-year, 47 third-year, and 54 fourth-year students.
First-year: Nellie Barnett, Paul John Barnett, James G. Begley, Amanda Boggs, Luane Bolling, Mark Broadwell, Glenda Combs, Sherry Melinda Culbertson, Shannon Gibson, Deborah Lynn Griffin, Sheila Hayden, Randy Hodnett, Kimberly Kaufman, John Lee, Matthew meade, Sheila Osborne, John Pope, Debra Shortridge, Debbie Stanley, Harry Stuart, Bret Williams, Lisa Willis, Mark Woodside.
Second-year: L.W. Bacon, Ravi Balasubramanian, James Allen Ball, Elizabeth Bledsoe, Chris Boggs, Jack Browning, Mona Carly, Nathaniel Criffin, Linda Deary, Vickie Fleming, Richard Bertolatus, Mark Bledsoe, Rickie Campbell, Sarah Campbell, Frances Chadwell, Rick Cole, Beverly Collins, John DuVal, Terry Edwards, Bruce Gibson, William Michael Gibson, Richard Grabell, Alaebo Greene, Lyle Jeffrey Greene, Kathy Harris, Veronica Henson, Mark Holbrook, Debrah Kaufman, Janet Keel, Jerry Kilgore, Terry Kilgore, Kenneth Kroeker, Frank Lotko, Kathy Maxwell, Dawn Meade, Betsy Miller, Stephen Mooney, Frampton Morton, Brenda Sue Mullins, Louise Mulka, Ronald Mullins, Maurice Nida, Cynthia Saylor, Renee Shepard, Rose Marie Simonsi, Janice Stanley, Martha Sull, Melissa Siddham, Larry Sturgill, David Thomas, Richard Whitner, Lisa Wooten, Gary Zion.

→ Merge ←

By Warren H. Wattenbarger
Wesley Foundation
Campus Minister
One of the signs we find on expressways is MERGE. We sometimes wonder how it is possible to merge with the flow of traffic. Drivers want to keep you from entering ahead of them. Those behind you want you to take the risk so they can move up and enter the main-stream flow of traffic.
If you are going to get to your destination, you have to merge. You have to get into the stream of traffic and keep going no matter how awkwardly you enter. Regardless of the risk, you merge!
Life makes the same demands of everyone. You cannot avoid the mainstreams if you intend to arrive at any designated goals. Life does not allow alternate routes that have no merging situations. Sooner or later you must merge into life as it is, not as you like it to be. What you have learned from books has to be tested in a dog-eat-dog world that is just the way it is. So do not stop on the ramp. Life calls us to face a lot of mergings. All kind of

watch your fenders — some earthlings do not want you to enter. But get in — there is room for more of your kind — especially for those who goals include helping alleviate human need.

MEOC To Sponsor Dance

Mountain Empire Older Citizens will sponsor a dance on Saturday, February 27th at the Norton Community Service Building located in front of the Norton Elementary School. The dance will be held from 8:00 p.m. until 12:00 midnight. Music will be provided by Nashville Recording Artist, Virgil Fleming and The Music Land Express. Tickets will be \$1.00 for children age 12 and under, \$2.50 for adults. Tickets

may be purchased at the Music Center in Norton, Robo's Drive-In in Pound, Mountain Empire Older Citizens office in Wise or at the door. Refreshments will be sold. All proceeds will go to the Mountain Empire Old Citizens' Emergency Fuel Fund Program. Come have fun and help support our older citizens. Tickets may be purchased from Margie Schoenwald in the Administration Building.

Some Kind Of Miracle

By Jim Collie.
Baptist Campus Minister
The bride was from Nice on the French Riviera. The groom was born in El Salvador. The best man's homeland was Nigeria. And the wedding took place in Wise, Virginia where they all are students at CVC. Now, the fact that folks can find the kind of love in this day and time that makes them want to commit themselves to each other in marriage has for some time seemed miraculous to me. The wedding that took place at St. Valentine's Day was indeed

some kind of miracle. Opportunities abound at CVC for getting to know folks and for making friends. In the fifteen: th chapter of John's Gospel, Jesus ch ose to call his disciples "friends". He described that relationship as one of openness and sharing. It was also to be a relationship of service. The service was to be such that one would want to do good things for the other unselfishly. You see, friendship does not make demands, but instead friendship gives. Friendships come and go. Some are meant to be for keeps

as symbolized in the marriage relationship. "To have a friend, you must be a friend". Someone once said, It is indeed some kind of miracle that God decided it was not good for us to be human alone. And so he created friends.

The Valentine wedding of Vickie Pruitt and Rick Herro was a beautiful expression of friendship. The vows that were exchanged between them were shared by their friends and their joy was more beautiful and bountiful because of that sharing. That's some kind of miracle.

Registration Extended

Because of inclement weather, registration for Clinch Valley College's class in Stained Glass will not be held until Monday, March 1 at 6:30 p.m. Beginning Stained Glass (Art 495a) will be taught by Ray Dunkin, owner of the Carriage House in Kingsport. He will direct the first three projects as teaching aids in the course, then

students will complete a fourth project of their choice. Dunkin has taught classes in stained glass for four years and has completed his own coursework in Asheville, North Carolina. As students register for the course they will be given a list of materials to bring to the first class meeting. These will include such household items as

sproes, scissors, carbon paper and ruler; other specialized items will be available.
Students may register through the Office of Continuing Education, Clinch Valley College, 328-3431, extension 286 or they may register at the March 1 meeting at the Norton Community Center.

If regulation of all the "wild partying" is so necessary, a look at the vehicles of this regulation should be also taken. If student sobriety raises a question, it appears to me one should be raised and applied to our Boys in Blue. True, no hard evidence exists, but if a slight slagger or a slurring of words suffices as an indictment, as it so often does, cannot a like gauge be used to measure the sobriety of members of the Security Force (certain members, certain shift).

Teachers... Jobs!

Dear Editor:
The Foreign and Domestic Teachers Organization needs teacher applicants in all fields from Kindergarten through College to fill between five and six hundred teaching vacancies both at home and abroad.
Since 1968, our organization had been finding vacancies and locating teachers both in foreign countries and in all fifty states. We possess hundreds of current openings and have all of the pertinent information on scholarships, grants, and fellowships.
The principle problem with first year teachers is where to find the job!
Our information and brochure is free and comes at an opportune time when there are many more teachers than teaching positions.
Should you wish additional information about our organization, you may write the Portland Oregon Better Business Bureau or the National Teacher's Placement Agency, UNIVERSAL TEACHERS, Box 5231, Portland, Oregon 97206.
We do not promise every graduate in the field of education a definite position, however, we do promise him a wide range of hundreds of current vacancy notices both at home and abroad.

Sincerely,
John P. McAndrew, President
Foreign & Domestic Teachers

Elements Take Sole Lead In Intramural Basketball

Johnny Carnette of the Elements goes up for the rebound.

By Barry Bellamy

After last week's slate of only four games, intramural action picked up this week with a total of 16 games being played. At the start of the week, there were three teams tied for the lead with perfect 2-0 records. They were the Assassins, Barbarians, and the Elements. After big victories by the Elements over both, they take over sole possession of first place. The Assassins came back after the 66-63 loss at the hands of the Elements to post two more victories to improve their record to 4-1. On the other hand, the Barbarians, after a thorough 87-51 thrashing by the Elements, also were soundly defeated by the G.M. SOTS and could be headed for a second division finish. Here is a brief summary of the games played last week. (Thursday night game scores were unavailable at press time).

Monday's games. G.M. SOTS 72, Dragonflies 48. The SOTS' placed for men in double figures to coast to the win. Mike Capell hit for 12 to lead the way for the winners. Steve Cooney scored 18 for the Dragonflies.

Barbarians 74, Pi Kappas 71. The Barbarians improved their record to 3-0 by downing a determined Kapp team. Barry Bellamy scored 24 in the win while Reed Owens tossed in 20. For the Kapps, Butch Kfoury led all scorers with 25 while Terry Raines contributed 21.

Just A Team, POW's 61. Despite Robin Dotson's sensational game, Just A Team, through balanced scoring, rolled to the win. Eddie Combs and Lee Stallard led the way for Just A Team with 24 and 17 respectively. Dotson led all scorers with 32.

Elements 66, Assassins 63. In what was billed as the "Game of the Year", the Johnny Carnette-led Elements defeated the Assassins 66-63. The game was close throughout, but the moves and super shooting of Carnette and David Webb proved too much for the Assassins, who were playing for the Elements with a game high 24 points while Webb added 18. State Smith scored 22 in a losing cause while Paul Schifflin added 18.

Tuesday's Games. Assassins 61, Just A Team 58. The Assassins bounced back from their previous setback record this hard-earned victory. Vince Lambert, the League's leading scorer, hit for 28 while Benny Ratliff hit for 14. Ziggy Powers led Just A Team with 26 while Ken Crowder added 12.

Phi Sigs 63, POWs 59. The Sigs used balanced scoring to offset at 31 point performance by W. D. Burke. The game was very physical and hard-fought throughout. L.A. led four Sigs in double figures with 13.

Hot Shots 63, Dragonflies 48. The Hot Shots used a 16 point performance by Jimmy Rodgers and 11 from Greg Cole to record their first victory of the season. Scott Morgan tallied 18 for the Dragonflies.

Elements 87, Barbarians 51. In a battle of unbeatens, the Elements, behind David Webb's 31 points and Johnny Carnette's 23, broke the game wide open after a relatively close first half to annihilate the Barbarians, 87-51. Reed Owens paced the Barbarians with 18.

Wednesday's Games. G.M. SOTS 76, Barbarians 48. Tom Gilliland, Bruce Gibson, and Mike Capell combined for 48 points to lead the G.M. SOTS to an easy 76-48 win over the faltering Barbarians. Gilliland led all scorers with 24 while Gibson and Capell added 14 and 10. Reed Owens was practically all the Barbarian offense with 21.

Pi Kappas 78, Dragonflies 66. Butch Kfoury led for Kapps in double figures with 24 points as the Kapps coasted to the easy win. Also in double figures for the Kapps were Terry Raines and Ted Darby each with 15 and Fran Hunt with 10. Lee Clarke and Mark Cvetnich led the Dragonflies with 18 a piece while Steve Cooney added 10.

Just A Team 79, Hot Shots 60. Just A Team placed 5 players in double figures in their win over the Hot Shots. Brian Dotson led the way with 21. Lee Stallard, Ziggy Powers, and Eddie Combs all contributed 16 while Ken Crowder had 10. Greg Cole led all scorers as he blazed the nets for 30 in a losing cause.

Assassins 82, POWs 63. It took a 30 point effort by State Smith and 17 from Vince Lambert for the Assassins to put away a valiant POW team. For POW, W.D. Burke tossed in 26 while Jeff Bond and David Porter contributed 21 and 10. Also for the Assassins, Benny Ratliff tossed in 14.
