Horton Breaks Lady Cavs' Record

by Debbie Shortridge
Freshman Pam Horton has had an extremely successful first season at CVC as a Lady Cavalier.

As of this date, Horton has scored nearly 500 points. On January 26, she scored 44 points against Pikeville, which broke CVC's Lady Cav single-game scoring record of 43 points, set by Sharon Morris. In the last few minutes of the game Horton was knocked senseless while attempting to block a shot, and it appeared that with only 42 points, she would have to wait until the next game to attempt to break Morris' record. She came back in the last few minutes of the game however, and made a goal with one second

left on the clock to set the new record.

Pam modestly stated that her success this season has been enhanced greatly by the rising confidence of the entire team. She explained, "Since we're all playing better, everybody's giving 110 percent. We have more confidence now and are working as a team."

Horton graduated from Carroll County High School, where she played the point position and broke the single game scoring record with 34 points. Although she enjoys playing point in a man-on-man situation, she stated that she likes shooting from a wing position when faced with a zone defense. She

feels very confident shooting from off of the right of the top of the key. She enjoys the fast-break: "The faster you move, the harder it is for the defense to predict what you're going to do," she stated.

Pam said that she enjoys attending Clinch Valley College. "The size of the college is good, because it's on a personal level. I'm not just another number here." Although her plans for the 1983-84 academic year have not been confirmed, she feels that she will be returning to CVC. Regarding her next season's Lady Cavs, she commented, "If we can get some height on the team, just wait until next year!..."

Pam Horton has enjoyed a successful first season as a Lady Cavalier.

International Arts Festival

The International Arts Festival Committee at Clinch Valley met last Monday to discuss matters concerning the festival, which is to be held Saturday, April 23.

Discussion centered around the contracting of several entertainers to perform during the festival.

According to Julia Heise, head of programs and performers, professional groups contracted so far are the Folk Ensemble of James Madison University Dance Theatre, and Julia Dean, a motion artist, who will do performances of a Japanese dance and drama and mime.

A third professional group to perform at the

festival is Tahuantinsuyo (Ta-won-tin-soo-yo). They will do forty-five minute performances. This group consists of three native South American musicians plus a dance team. They'll present a program of music and dance from their native lands of Ecuador, Peru, and Bolivia.

A sample of local groups who will also appear at the festival includes the Rye Cove Cloggers, Sugar Cane Cloggers, Wise School of Ballet, and a musical program by students at J.W. Adams Elementary in Pound.

At the meeting, Dr. Richard Peake, Humanities Chairman, who heads the committee, recommended that they divide themselves into sub-committees for more intense planning.

Anyone or any group wishing to help or participate in the festivities should contact the Humanities Division of Clinch Valley.

Changes In The Zehmer Building

by Carol Grear
Unless you have been extraordinarily busy or in outer space, the changes taking place in the Zehmer Building have probably gotten your attention. The cafeteria, bookstore, nurse's office and post office have moved into their new headquarters in Cantrell Hall, which has recently been completed. What is to become of all that space in the Zehmer Building?

Plans for a project to renovate these areas have been made. A local planning committee consisting of Mrs. Betty Gilliam, Mr. Jim Lipps and Dr. George Culbertson along with Mr. Trev Crider, project manager from the University of Virginia, helped in putting the project together. Smithy and Boynton of Roanoke drew up the plans.

A computer center with lab, classrooms, offices and

storage space will occupy vacancies left by these recent moves. The computer, which will be moved from the Administration Building, will occupy the post office area. A student lab with terminals will also be placed there. The area previously occupied by the bookstore will become a classroom. The lounge has already been partitioned in half - more or less. An art classroom occupying the more and a mini-lounge, for those of us who can't trek down the hill, occupying the less. Future modifications to the kitchen and serving area will result in a ceramic studio, painting studio, storage area and an office for Mrs. Gilliam.

Those proposed plans are all well and good but there is one fly in the ointment - According to Dr. Culbertson, all plans are on hold until funds become available.

Highland Cavalier's Letters Policy

The Highland Cavalier encourages all persons who wish to express themselves to write a letter to the editor. All letters must be signed to be printed. Names will be withheld by request and at the editor's discretion, however the original letter must be signed. In addition, the editor has the right to edit and/or reject letters that violate the guidelines as set up by the publications committee. Send all letters to Box 1127 by Wednesday, 12 noon, each week. All letters must be typewritten, unless they are neatly printed.

Down The Tubes?

Dear Editor,
As a transfer student to CVC, I have had an opportunity to see how many college are run administratively. When I came here I was attracted by the information I received in the mail and more so by all the good things that people had to say about the college in my hometown. After attending CVC for a semester, my opinion of this college has changed greatly. The change in my attitude has come from the shabby treatment given to the head of this college's most important department—Public Relations. This department is by far, what makes this school successful. To a student such as myself, it seems only natural that in these times of economic troubles that the college would boost P.R., not cut it back. But maybe the Directors of Clinch Valley do care for this college and don't want to see it go down the tubes.

Kevin Matney

Sights and Smells of CVC

Dear Editor:
Here I sit, pen in one hand, spoon in the other, contemplating the sights and smells of CVC. Now you wonder what the sights and smells of CVC are.

Sight. My favorite sight is out the picture window in the Student Union Building. You walk in, get your gourmet meal, sit and look out the window which overlooks the spectacular view of... The Electrical Transformer. This isn't such a bad view, but you've got to really be into dull grey, wood, wires and little black numbers.

Smell. If you city folks from Big Stone Gap, Ewing, The Beach, and D.C. want to know what the country is really like, go to the Boys' bathroom in Cantrell Hall. For you girls, it's no problem: just get a boy to go in first, check, then come out and play look-out for you. Like I said, no problem. As you walk in, the smell isn't that bad, but walk into one of the stalls and be prepared for a jaunt through time and space to a place little known to a city, a livestock barn. This may be repulsive to some, but to diehard country folks, it's the smell of a Rose.

Project for the day: Take a piece of paper and write down what the Public Relations Office did for this college. Then take another piece of paper and write down what the School Hostess does. Compare the list and see which is bigger. Now ask yourself, "If I were cutting back, which would I cut out?"

Chris Boggs

Breach of Contract?

Dear Editor
There are a few questions I would like to ask the person or persons in charge of enforcing the contract made with the owner or owners in the gameroom. I have seen the contract that was given to the bidders for the gameroom. The qualifications set down in the contract I have seen, are being grossly ignored. The contract that I saw was an official Clinch Valley College certified letter. The letter was clearly stated and had many qualifications for the gameroom. Some of the qualifications included ten upright games that are constantly in the top 20 games in the nation. Also, a pool table and a foosball table were required. The gameroom, as it stands, has only one game in the top 20 and an empty pool table with broken cues.

What I want to know is why the contract is not being enforced and why the person or persons in charge have not acted to enforce it. I will stake my personal pride on the line in saying that the above is true, and that the contract was original. If someone would care to answer why the students of CVC are being deprived of at least one form of good entertainment, I would appreciate it.

Valentine's Day is a reminder of the need for love in the life of every person. This special day honors the memory of two christian martyrs by the name of Valentine. Both of these men were put to death by Roman authorities about A.D. 270 because of their loyalty to Christ and the assistance that they gave the persecuted Christians. Through the centuries Valentine's Day has been celebrated with emphasis upon the importance of love and affection, giving special emphasis to the need for ex-

Valentine's Day

pressing one's love to family members and friends. Although the various kind of human love - affection, friendship and romantic love - makes an important contribution to our lives, they are inadequate and unending in themselves; they need the reinforcement of a higher love, the love that originates with God. Regardless of how beautiful human love can be in specific instances, it cannot remain beautiful on a consistent basis by human effort alone. In order to be kept from disintegration and decay, human love must subordinate itself to God's direction and authority.

Paul, who is known as the apostle of faith wrote with divine insight, - that agape - God's kind love - is greater than faith itself. "So faith, hope, love abide, these three, but the greatest of these is love." I Corinthians 13:13.

Love is that which unites us in a meaningful fellowship with others and with God. Those who discover the way of love are "knit together" in a loving caring fellowship. Love is the divine adhesive that binds us with God and one another in a spirit of unity and harmony.

Have a Happy Valentine's Day!!!

"What Can I Say?"

By Jim Collie,
Baptist Campus Minister
"What can I say?" That's the most likely response from a good student friend to life's deep questions. This is Valentine's Day. Thoughts are of love. And what can I say?

I can repeat two of the most profound passages on the subject of love. The gospel writer John could think of no better summary

statement of the nature of God than, "God so loved that He gave..." (John 3:16).

The letter to the Corinthian church sparked by dispute and conflict contains a formula for a better way of relating one to another, the way of love. Here is Paul's description: Love is patient and kind; it is not jealous or conceited or proud; love is not ill-mannered or

selfish or irritable; love does not keep a record of wrongs;

love is not happy with evil, but is happy with the truth.

Love never gives up; and its faith, hope, and patience never fail.

Love is eternal. (I Corinthians 13:4-8a. Today's English Version.)
What can I say? Happy Valentine's Day!

Contemporary People

By T. Reane Kilgore and K. Charles Sanders
Greetings, fellow contemporary students and welcome to the new edition of "Contemporary People". We shall, from time to time, dictate "what's and what's not" now that our beloved contemporary queen, H. "Contemp" Matney, has gone on to bigger things.

Get to know us and our column because we just might mention you one week. In case you can't tell us apart, Ken's the tall one.

It's probably evident to most of you by now that we are perhaps the most "uncontemp" students on campus, but nevertheless, we have made a compilation of "bits" and "misses" for you to pattern your life by. Take a look and see how you rate.

- Miss: Anyone who wears polyester is out.
- Hit: Contemps stay on campus on weekends.
- Miss: Being a valley girl.
- Hit: Checking your mail only once a day.
- Hit: Catching bits and pieces of "The Winds of War", but not watching the entire series.
- Hit: Eating in the grill instead of the cafeteria.
- Miss: Drinking beer from plastic cups.

As a rule of thumb, contemporary people always take contemporary classes. Among those that are in the greatest demand this semester are: Irish Studies, Speech, Darkness at Noon, I.A. Art History, and Phys-Ed class except, God forbid, clogging.

Without a doubt, the hit of the week goes to anyone who has their initials on "Centipede". The overwhelming miss of the week is the person responsible for the termination of Sharon Daniels' job.

On that note, we close our first of the new Contemporary People columns. Catch us next week for more tips on contemps.

Take Pride In Your School

by Susan Mullins

One semester ends, another begins. We see the same students, the same teachers, the same classrooms, the same registration lines and the same overcrowded parking lots. In reality, the atmosphere of college life remains the same for most of us. One thing has changed and that is what we see as we go about our daily routines on campus. We have two new buildings, Cantrell Hall and the Chapel of All Faiths.

These buildings were erected in the midst of sweat, hard work, the labor of creative minds, and the hopes, dreams, and pleasures of the many who took part in their creation. Both were dreamed of, planned for, and built with a sense of pride and accomplishment. No one can deny that they are beautiful, worthwhile, and worthy of our respect.

When we look at these buildings, walk through their halls and the rooms, we can see a little of ourselves, and we can be proud to be of the first to enjoy them. As I myself am a part of CVC, so are you, and I know that for the rest of my life, my days here will influence every step I choose to take. These buildings can only be a part of that, and whether we realize it or not we have been given an opportunity to put an example before future students who will in turn become part of CVC. The thing I think stands out most about the buildings is their ability to make us proud because they are new, and how they do shine from that newness! It is our responsibility to help

them keep that shine - their brilliance will remain for as long as we allow it to.

Let's not carve on the tables or write on the walls. The jukebox and video games can do without your kicks and shoves. Litter certainly does nothing for the beauty of our buildings and remember a presence abides in our chapel that deserves our unrelenting respect and loyalty. The Chapel and Student Union Building were built to create a better atmosphere for not only us that are here now but for the thousands just like us who will be here in the future. Through the buildings we can see progress for our college and our belief in its policies and values become strengthened. Their dedication is in the past but we cannot forget the promise for the future that they

Scholarship Up For Grabs!

If you've never applied for a scholarship because you figured that competition was too stiff, think again. There are dozens of scholarships that few people know about, and so even fewer apply for them.

Among these are two scholarships - one for \$1,000, the other \$500 - offered each year by the Virginia Society for Hospital Public Relations (VSHPR).

"We aim to boost students who may want to do public relations work in hospitals," said Bonnie Lisak, chairman of VSHPR's scholarship committee. Applicants must be rising

juniors or seniors at a Virginia college or university who are pursuing studies in communications, journalism, English or another related field, she said. The deadline for applications is March 1st.

"Last year, we had only a half-dozen applicants" Ms. Lisak said. "I hope we don't deter people from applying by our stipulation that they should be interested in a career in hospital public relations."

"Actually, we realize that most students aren't sure about what they will do after graduation," she added. "We're not looking for a career commitment, just an

interest in the field." Hospital public relations varies widely from institution to institution, but the work often involves doing the photography, writing, editing and design for hospital publications, writing press releases, organizing special events, preparing audio-visual presentations, and participating in fund drives.

For more information about the VSHPR scholarships, contact your college financial aid office or Bonnie Lisak at the University of Virginia Hospital, Box 224, Charlottesville, VA 22908, or phone Ms. Lisak at (804) 924-1968.

"THE NO FRILLS POETRY CONTEST"

Dear Poet,

Welcome to Humanities Advancement's "No Frills Poetry Contest". We are offering CASH prizes up to \$1000.00 and a FREE gift to all entrants of the top 3 winning poems. First prize is \$1000.00, second \$250.00 and third prize is \$100.00. The poems will be judged by a highly qualified member of our staff. The three winners will be notified and awarded their CASH prizes on or before April 30, 1983. The deadline for entering your poems is midnight March 31, 1983. Below you will find the official contest rules, please follow the guidelines. You can be a WINNER, so get ready and get writing!

HUMANITIES ADVANCEMENT

OFFICIAL CONTEST RULES

- 1) Poems may be on any subject and any style.
- 2) Poems should not exceed 35 lines in length.
- 3) Poems may be legibly printed or typed.
- 4) Please include the title of your poem, if your poem has no title we will call it "untitled".
- 5) Please include your name, address and if possible your phone number.
- 6) You retain all rights to your poems, but please keep copies as none can be returned.
- 7) Humanities Advancement reserves the right to publish the top three winning poems for FREE distribution to all contest entrants.
- 8) You may enter as many poems as you wish, the handling fee is \$8.00 per poem (Check, Cash or Money Order).
- 9) Send your poems and handling fee to: HUMANITIES ADVANCEMENT P.O. BOX 226, NEW LENOX, ILLINOIS 60451.

News From Pi Kappa Phi

On Wednesday, February 2, the Brothers of Pi Kappa Phi had their Rush party at the House for prospective members. We are proud to announce the following people as new associates to Epsilon Epsilon:

Kerry Anderson, Sam Chapman, R "Doda" Lindberry, Tim Howard, and Brian "Enoc" Reiley.

We would like to also re-

mind you that it's still not too late to become an associate of Pi Kappa Phi. If you are interested in our fraternity, see any brother or come over to the Pi Kappa House and check us out.

Plans are currently being made to attend the area Conclave at Virginia Beach. The Conclave should provide us with ample entertainment.

Little Sisters of Pi Kappa Phi

The Little Sisters of Pi Kappa Phi would like to extend a warm invitation to all our pledges and any other interested in becoming a Little Sister in our organization. It's great fun!!!

We also extend congratulations to the Pi

Kappa new officers, and are glad to see our new archon, Mike (Honey) Hoskins, is up and feeling better. Also good luck to our brothers in the intramural basketball season.

OOOO WE BE BAD!!!

INTRAMURAL SPORTS

Intramural action got underway last week, and slowly but surely, the smoke is beginning to clear and the 10-game season is taking some form. As Highland Cavalier prognosticator Barry Bellamy predicted, there are two distinct levels of play in the league. The scheduling being as it is, the top four teams have battled among themselves at an even rate, the middle teams boast impressive records after beating up on the nobodies, and in a quest for immediate identity, the Mediocre Masses have a lock on the cellar. Briefly, a summary of last week's game.

Heavy Metal 65 El Stinkos 66

The boys from Coeburn got an early jump into the win column as they rode the

15-point performance of Rob Sutherland to down their Appalachia-based counterpart, 65-66. Mark Hutchinson and John Crockett tallied 17 apiece in the losing cause.

Assassins 56 Phi Kappes 63

In one of the two opening night biggies, the Assassins used some timely free-throws from State Smith and Reed Owens to capture this 56-53 come-from-behind victory. Smith pumped in 20, 8 of which came from the line, while Owens added 15, 9 from the line. Danny Ryan led the Kappes with 14.

Ball Busters 76 No Names 71

Four players scored all but 2 of the winner's points, as the B-Busters took a crucial 76-71 win over the No Names. The combined 74 points of Mike Brown (23), Jeff Sanders (20), Jeff Johnson (18), and Mike Allen (13) all but outshone the No Names' Lawrence Jervis' 38-point individual performance in the winning effort.

Underdogs 100 Mediocre Masses 0

100-0 by forfeit.

Assassins 67 No Names 66

OT

It took an overtime to do it, but the Assassins knocked off the top-rated No Names, 67-66. State Smith led the winners with 21, while Lawrence Jervis led all scorers with 38.

Pi Kappes 67 Ball Busters 57

With Mike Hoskins in the game, the Kappes rebounded from their opening loss to outgun the B-Busters 67-57. Hoskins had a game high 23, while teammate Danny Ryan added 16. Mike Allen led the losers with 18.

Phi Sigs 45 Mediocre Masses 37

Kent White and Tony Kolb combined for 31 points as the Phi Sigs downed the hapless Masses 45-37. White pumped in 17 for the winner, while (?) Bates scored 18 in a losing effort.

A-Team 67 Mike Duffy's Team 69

Roger Keith scored 16 points to lead his team to victory. Robin Dotson led all scorers with 18, but it wasn't enough to overcome his opponent's balanced attack. A-Team placed 4 other players in double figures in the winning performance.

Mike Duffy's Team 85 Phi Sigs 71

M.D.'s Team simply out-shot their opponent in this contest, led by Lee Clark's 35, (?) James' 19, and Robin Dotson's 18. Tony Kolb and Steve Mooney burnt the nets for the Sigs, scoring 29 and 24 respectively.

Heavy Metal 61 A-Team 58

Geno Gibson bounded on to the scene for Heavy Metal, scoring 22 to lead his team to victory over the upstart A-Team. Roger Keith had a fine perfor-

mance in the losing cause with 22 points.

Pi Kappes 100 Mediocre Masses 0

Once again, M.M. goes down in forfeit.

Underdogs 55 El Stinkos 44

Bruce Gibson tallied 24 points and Barry Bellamy added 16 as the Underdogs held off a fierce comeback attempt by the Stinkos after blowing a 20 point lead.

Ball Busters 75 Assassins 69

The B-Busters got back in the win column, led by Mike Brown's 28, upsetting the previously unbeaten Assassins 75-69. State Smith and Ziggy Powers tallied 18 and 21 in their losing effort.

No Names 61 Phi Sigs 46

Alex Modaber ripped the chords for 21 to lead the No Names over the Sigs, 61-46. Tony Kolb led all scorers with 23 for the Sigs.

Phi Kappes 81 El Stinkos 62

The Pi Kappes warmed up for future affairs as they drilled the Stinkos, 81-62. Tom Gillilan was high man for the Kappes with 23, while John Crockett and Mark Hutchinson each scored 17 for the El Stinkos.

Mike Duffy's Team 94 Mediocre Masses 63

Mike Jones, Lee Clark and Joe Peery scored 34, 18 and 16 respectively to lead their team to an easy 94-63 massacre of the Masses. Once again, the "no-name"

Bates led the Masses, scoring 25 while former Underdog player, Bill Powers, added 14.

Underdogs 58 A-Team 47

The Underdogs played sloppily, but still managed to hold off the A-Team. Bruce Gibson led the winning charge with 22, while Roger Keith and Lynn Rhoton scored 12 and 13 for A-Team.

El Stinkos 73 Mediocre Masses 37

Once again, the Mediocre Masses played cannon fodder for a bigger, better team. This time, the Stinkos were the suiters, Danny Rowland scoring 32, Barry Williams 16, and John Crockett 13 for the winners.

Ball Busters 75 Heavy Metal 66

Close but no cigar was the story in this game. The Coeburn crew, led by Geno Gibson's 25, almost pulled off the upset of the year but the strength of the B-Busters proved too much, as they finally pulled out a 75-66 victory. Mike Brown led all scorers with 39.

Assassins 73 Mike Duffy's Team 46

The Assassins avenged their previous loss at the hand of Mike Duffy's Team. Benny Ratliff, Reed Owens, Ziggy Powers, and Jeff Roberts scored in double digits for the winners, with 22, 13, 12 and 12 respectively. Lee Clark led the losers with 15.

Standings

Team	Win/Loss
1 Underdogs	3-0
tie-2 Assassins	3-1
tie-2 Ball Busters	3-1
tie-2 Pi Kappes	3-1

9. Robin Dotson	Mike Duffy's Team	2	18.0
9. Danny Rowland	El Stinkos	3	18.0

BARRY BELLOWS

By Barry Bellows

Now that intramurals are here, it appears that it is going to be a three way race for the regular season crown between the B-Busters, Assassins, and the Pi Kappes. My preseason pick for the crown, the No Names. Have, as of press time, lost two games. With the B-Busters, Assassins, and Pi Kappes playing the way they are, the No Names could find themselves out of the race already. Oh well, there's always the tournament. The Underdogs are the only undefeated team, but they have yet to play a serious challenger for the ti-

tle.

I believe the sportsmanship has improved 100 percent this year. I called one game last year and swore I would never call another. Tempers were terrible, with one guy actually threatening to cause me bodily harm. I called the Assassins/B-Buster's game on Tuesday night. I was very impressed by the behavior of the players. Sure, there was some controversy, but overall, I feel the players displayed a great deal of class on both sides. Remember, the guys who call the games aren't professional referees - just

students who wish to have a successful and enjoyable season.

I've been less than thrilled by the results I've been getting in my effort to keep team stats and publish the leading scorers each week. It's still not too late. Just give me each player's scoring average through all games and then give me each games stats. I'll do the rest. Don't forget to go see an intramural game.

NOTE: My apologies to the UCLA fan for saying it was LSU that beat UCLA. It was Mayland. Please correct me if I'm ever wrong again.

CAVALIER UPDATE

by Kevin Matney

During the past week, CVC's Cavaliers have played several close-scoring games, but have been unable to bring home a victory. With the loss of these three away games, the Cavs currently stand with a 10-12 overall record.

A game against Thomas Moore began the road-trip. CVC suffered a defeat there, as Thomas Moore slipped by to win by a score of 70-68. Terry Edwards had the number-one scoring contribution, with a total of 18 points. Contributions were made by several other members of the team: Dowdy with 16 points, Whitaker with 12 points, E. Smith with 10 points, Miracle with 6 points, and B. Smith with 2 points.

The following evening, February 5, the Cavs travelled to Georgetown, to

take on the Tigers. Once again, CVC was defeated by a two-point advantage, 77-75.

The Cavs' next game was also a disappointment. CVC was defeated by Warren Wilson College, by a score of 69-66. This game was practically taken from the Cavaliers because the Warren Wilson team was able to shoot for a total of 28 free-throws in the second half. Never-the-less, our team gave a good show, with Eddie Whitaker making a total of 23 points, and Terry Edwards adding 16 points.

The past three away games for the Cavaliers have been a big blow to their record this season, but with two more home games left we expect that they will really pull themselves up and make a clean sweep during the remainder of this season.
