Commencement Set For May 22

Baccalaureate and Commencement at Clinch Valley College traditionally are held on the same day. This year's graduation exercises will be held on May 22.

Baccalaureate is set for 11:00 a.m. at the Fred B. Gresar Gymnasium-Auditorium with Dr. William Pape Wood, Minister First Presbyterian Church in Kingsport, Tennessee to deliver the sermon. Dr. Wood holds an A.B. degree from Davidson College; attended Union Theological Seminary and received his B.D. degree, the Th.M. degree in 1969, and the Doctor of Theology degree in Old Testament. He received his Honorary Doctor of Divinity degree from Tusculum College. He is a member, Board of Trustees, Lees-McRae College, President-elect of the Kingsport Rotary Club, member, Board of Directors, Downtown Kingsport Association, member, Research Committee, Holston Valley Community Hospital and member, Board of Directors, American Cancer Society of Kingsport.

The College will serve lunch at noon to the graduates, their families, and staff members.

At 1:30 p.m. the graduates will march from Cantrell Hall to the gymnasium where they will be awarded bachelor's degrees. A Commencement address by Dr. Thomas Franklin Chilcote, President of Emory and Henry College, will precede the conferral of degrees by CVC Chancellor Joseph Smiddy.

Dr. Chilcote holds a B.A. degree from the University of Pittsburgh, a Master of Divinity degree from the Boston University School of Theology, and an honorary degree, Doctor of Divinity from the University of Chattanooga. Dr. Chilcote has written and contributed to many publications. Some of his works are: Youth Courageous, Jesus and Worship, Creation and Liberation, Hoofbeats and Heartbeats, and Behold Year Saviour. President Chilcote is listed in Who's Who in America, Who's Who in the World and International Who's Who.

Another part of the May 22 Commencement is the presentation of special awards to seniors.

A graduation-eve Awards Night program will be held on Saturday, May 21 to honor students who have excelled in various fields. Among them are Darden Society Awards, Freshman Chemistry Award/Senior Chemistry Award, Merit Society Awards, Senior Awards in Accounting, Two-Year Honor Awards, and Who's Who in American Universities and Colleges. Chancellor Smiddy also will install Johnny Kilgore of Gate City who recently was elected President of the Student Government Association for the 1983-84 year.

Also, on Saturday afternoon, May 21 at 4:00, there will be a Math/Science Alumni Reception in Cantrell Hall.

There are 115 candidates for Bachelor of Arts and Bachelor of Science degrees,

Letters

Highland Cavalier's Letters Policy

The Highland Cavalier encourages all persons who wish to express themselves to write a letter to the editor. All letters must be signed and be printed. The editor has the right to edit and/or reject letters that violate the guidelines as set up by the publications committee. Send all letters to Box 1127 by Wednesday, 12 noon, each week. All letters must be typewritten, unless they are neatly printed.

Shafted Again

Dear Editor
Attention CVC Athletic Director

Where did Women's Intercollegiate Softball go in 1983? Was it the money? Was it the coach? Or was it the fact that no one cared? It is known that money is tight, but why is it always the women's athletics that get cut. Women's softball has great potential here at CVC and it is the only sport that has brought a State Championship back to the school.

At the beginning of the 1982-83 school year it was assumed that there would be a Women's Softball Team. The incoming

freshmen of this year were also informed that there would be a softball team. Softball has been in the athletic budget every year since it began here, why did it get shafted this year? We were under the impression that the women deserve some fair treatment. As it stands now, the men have basketball, baseball, tennis and golf. The women have basketball and tennis. Why do women have to suffer for the school's financial difficulties?

If money is the excuse; there is the \$200 activity fee that is paid by the students every year. This \$200 from the fifteen or more very in-

JUST EDITING "The Changing Of The Guard"

Last Tuesday was a very big day in my life, as I was named Editor of the Highland Cavalier for the 1983-84 school year. In taking this job, I feel I have assumed a large responsibility, but one that will give me the opportunity to work for the betterment of campus life. I would like to thank everyone for all the support I have received,

especially Jerry Kilgore, Bruce Gibson, Karen Greaser, and Jennifer Gorman for making the transition so smooth. Also I would like to thank the publications committee for their confidence in my ability to do the job. I hope I don't let you down.

In an effort to improve the paper, each edition of the Highland Cavalier will contain a guest column. This column will be written by interesting people on campus be it a faculty member, a student leader, or just the average student.

I hope this will make the Highland Cavalier what it is.

Remember, as editor, I am responsible to the publisher of the Highland Cavalier, which is you, the student body of Clinch Valley College. If you feel something is wrong with the Highland Cavalier, please let me know. I welcome all student input, and plan to publish a paper you will be proud of.

Sincerely,
Barry D. Bellamy

Summer Courses Offered

You don't have to wait until fall to catch up. Students may get an early start in basic courses in Clinch Valley College's 1983 Summer Session. There are two five-week terms: June 6-July 7, and July 8-August 18. Students may preregister at any time, or register when they pay fees on the first day of each summer term.

Five-year college students may take Biology 101, Introduction to Biology, and the laboratory component, Biology 111, in the second term. Biology 102, Principles of Biology and its laboratory component, Biology 112, will be offered. An entire year of English Composition may be taken this summer by registering for English 101 in the first term, and for English 102 in the second term.

First-year mathematics courses to be offered are Math 101, Algebra and Trigonometry, and Math 201, Elementary Probability and Statistics in the first term, and Math 102, Pre-Calculus, in the second term.

Both semesters of American History (History 101 and 102) will be taught in the first summer term, June 6 to July 7. Students may also elect Political Science 101, State and Local Government, and Psychology 101, General Psychology in the first term and Political Science 102, Introduction to Politics and Political Institutions, and Psychology 102, General Psychology in the second term.

Physical Education courses include Engineering Tennis, Engineering Swimming, and Advanced Life Saving in the first term; and Intermediate Tennis, Intermediate Swimming and Water Safety Instructor in the second term.

Other courses offered in the summer terms at Clinch Valley College include anthropology, personal management, biology, chemistry, computer science, economics, education, English, history, health education, mathematics, music, political science, psychology, religion, and sociology. Information on specific courses is found in the Summer Bulletin available at the Office of the Registrar, room 134, Administration Building, or you may call 288-5431, extension 302.

Students who are not currently enrolled at Clinch Valley College may apply for admission to Summer Session by completing a one-page special student application to be mailed to the Office of Admission. They may reserve a seat in a class by submitting a completed course request form to the Registrar's Office, though the College reserves the right to cancel courses in which the enrollment is below 12.

Directory space is available at \$20.00 per week.

POINT BLANK

Kilgore Bids Farewell

Point Blank is a weekly guest column written by those chosen to present a view of interest to Clinch Valley College.

As my two years as SGA President and my college career close rapidly, it is with the greatest pleasure that I end with a note of thanks.

First, I would like to thank the student body for allowing me to serve as SGA President. I will never forget the work, the fun times, and the activities that proved to be successful. Without the student body's participation in these activities, they would have proven to be failures.

Next, I could have never accomplished any of the plans I made without the two best SGAs ever assembled. Although at times they got discouraged with their positions, most never failed to do the job they were elected to do.

If anyone on campus is naive enough to think that a SGA working alongside the administration is against the student body's wishes, then they've never heard the biblical quotation, "A house divided against itself cannot stand." I could never thank Dean of Students Bonnie Blosser enough for all her assistance throughout my terms. Also, a big thanks to Chancellor Joe Smiddy for his help. Both were always willing to

listen to the students' problems and I never had to have an appointment to see them.

As I close, I would like to leave a word of advice. To those that complain and fill the paper with letters every week, I would like for them to be in some of the positions for a while. I would bet that there would be no "complaining" letters fill-

ing the paper weekly. I strongly feel that to be a reputable critic, you have to have once been on the "inside" rather than staying on the "outside looking in."

It has been an honor serving you and best wishes to Johnny and next year's SGA.

Sincerely,
Terry Kilgore

SGA SPRING FORMAL

MAY 7
UP WHERE WE BELONG
1983

Parting Shot

To The Editor
Spring is traditionally a time to eagerly await the arrival of the college annual. Around here, there is a sense of dread before its issuance.

One must congratulate the editor for giving us a choice publication. But then, unlike the Highland Cavalier, we know that he would not tolerate any "filler". It can easily be seen that each page is a vital part of the "annual theme."

The book opens with several pictures of the sprawling campus. One is disappointed that there is not a picture of the new student union building. Now our children and grandchildren will never know how the building looked when it could be seen - that is, before the arrival of "Orby's Nursery" (at a cost of

about \$19,000). As for content, the annual is once again littered with pictures of people who hail from a certain city nearby. But then, what does one expect when these people are so active in campus life? (And, of course, the more activities accumulated, the better the future resumes will look, right?)

Given the staff, the annual presents no surprises. It is as one would expect. One wonders what's next - will we have a "contemp annual" next year?

Frank Lotito
P.S. After much research it can be reported that the hands-down winner of the Most Artificial Smile Award (again) can be found on the bottom of page 73. Congratulations to the Dean of Students.

Another Parting Shot

As graduation nears I seem to be thinking more and more about life after CVC. Sure I'll be glad to be away from the studies but the personal atmosphere of this rural college will be dearly missed.

Clinch Valley has been my life for four years. It has been a very special time that could never be replaced. CVC has provided for me academically as well as socially. My opportunities for involvement were countless. In essence Clinch Valley provided everything for me that I needed from a college. For that, I'm forever grateful. But the staff, administration, faculty and student body are the

real people who need to be thanked. For without them CVC would simply have been a collage of buildings. Again let me thank everyone who has made my under-graduate years so enjoyable.

Sincerely,
Bruce Gibson

Unbelievable

Warren H. Wattenberger
 Campus Minister—Wesley Foundation

Believe it or not, the 1983 Spring Semester is almost over! All that remains are the dreaded exams. We wish you success as you prepare—burning the midnight oil, drinking that extra cup of coffee just to make sure you are alert enough to comprehend the questions that are asked.

To you who will be graduating on May 22, 1983, we wish for you great success in life. May the journey from this point on be one of excitement and fulfillment. May you have great success, enough disappointment to keep you aware of your inner self and the need to be true to yourself as the writer has said, "to your own self be true".

As you leave the halls, the classes, hills, dorms, friends, and professors, may you remember that you are going out into the world as an individual to give yourself in service to God and man. Help make the world a better place because you have a contribution to make. Each person helps shape the world. May the part you share be one of goodness and understanding. May those who shall come after you be able to say that the world is a better place because the Class of 1983 helped make it better. Be prepared for a lot of happy living along the highways and streets of life. People around you will need expressions of joy coming from your life—and to experience some of your happiness brushing off on them because of your living.

To the juniors, sophomores, and freshmen, we wish you a great summer and look forward to your return for the fall semester as individuals who have advanced to a different student classification. Keep the faith because you too shall reach the day of graduation, after you have endured the struggle and fought the battles. Have a great summer—may your fondest dreams be fulfilled—PEACE!

Graduation Or Commencement?

By Jim Collie
 Baptist Campus Minister

What is that event that will take place on Sunday, May 22, 1983? The CVC Calendar above my desk calls for Commencement. Some of us will speak of graduation. Which is it? Is it both?

Graduation or commencement? It is indeed both. Graduation speaks of completion. A series of steps have been completed. The requirements have been met for the awarding of a degree. Commencement means a new beginning. It is a time of starting, launching out. It is indeed both.

It is good to keep in mind that there are graduations and commencements throughout our lives. We do

well to mark stages and celebrate achievements and consider some things as complete. We need, too, the tension of starting new. The challenge of striving toward a goal gives meaning to our lives.

For the Class of 1983 and for each of us the closing of a school year has dimensions of both graduation and commencement. Congratulations for what you

have been able to accomplish this year. In other words, congratulations on your graduation, be it big or little "g". Congratulations and Godspeed on your commencement. In the concluding pages of The Bible there is celebration of both graduation and commencement. "Then the one who sits on the throne said, 'And now I make all things new!'"

Sheldon To Present Paper

Garrett W. Sheldon, Assistant Professor of Political Science, will present a paper at the Annual Political Studies Conference at the University of North Carolina at Asheville, in September. The theme for this year's conference is "Religion and Politics" and Professor Sheldon will present a paper entitled, "Freedom of Religion in Jeffer-

erson's Democratic Politics." Last summer Professor Sheldon assisted The National Endowment for the Humanities Seminar for College Teachers on Religion and Politics; his doctoral dissertation (Rutgers University) concerned "The Political Theories of Thomas Jefferson."

Blackburn To Take Semester Leave

Professor Glenn Blackburn, instructor of Western Civilization History and Contemporary History of the Western World, will not be instructing any courses this coming fall semester. Professor Blackburn plans to complete a textbook that he has been working on. The textbook is designed for use in courses related to "the study of Contemporary History of the Western World", which covers a time span from 1945 to present date. The book will discuss such issues as the Nuclear Arms Race, the Third World Problems, and other major historical data and events. Mr. Blackburn is currently developing part of his textbook through the classes that he is teaching. This book is to be published by the Saint Martins Publishing Company.

In response to the work that he is doing for his book and how it relates to his classes (students), Mr. Blackburn said that the relationship is working very good. He emphasized in his interview that he will still be in the Wise County area next semester and will perform all his usual activities with the college except for the fact that he will not be teaching any classes.

Mr. Blackburn is married to Jere Blackburn, who is a teacher at the Wise Middle School. Mr. Blackburn has been with CVC for the past 14 years and enjoys working with the school and students very much.

The Highland Cavalier staff would like to wish Professor Blackburn the best luck to him and his textbook in the future.

Similarly, for a student to change the time of an examination from that which is scheduled, he/she must have the recommendations of the instructor in the course and the chairman of the division of the course, and the approval of the Dean. All requests must be made in writing with reasons given for the request.

CAMPUS NEWS

Student Delegate Speaks

As everyone probably knows by now, many CVC students recently participated in a Democratic Party mass meeting. Many of these students will be re-examined concerning their qualifications as registered voters in Wise County.

The Highland Cavalier recently interviewed one of the participants. This participant has asked to remain anonymous.

Q. Why did you wish to become a registered voter in Wise County?
 A. I like this area and would like to do something after being here for four years.
 Q. Did you receive any encouragement from anyone to register to vote?
 A. No.
 Q. Why did you wish to attend the mass meeting?
 A. I did so mainly to help the school and the community.
 Q. Do you consider yourself a democrat?
 A. Yes.
 Q. Do you intend to live in Wise County after graduation?
 A. Yes, for a while.
 We, at the Highland Cavalier, do not seek to sway public opinion. We simply wanted to let a CVC student give his or her reasons for this particular action.

Women In Crockett...

Emma McCrayer Hall will no longer be the only dormitory on campus with both men and women in it. Next year, Crockett Hall will house both men and women. Renovation of the downstairs of Crockett (where the art room was) is now underway. According to Director of Campus Housing, Charles Engle, five new rooms will be in this section which will house ten women. According to Mr. Engle, the rooms will only be available to women who are either juniors or seniors with at least a 2.0 grade point average.

The women's section will not be accessible to the men's section from the inside. Housing rules and regulations will be the same as that which now applies in Crockett and Randolph. Mr. Engle stated that women will be housed in the renovated section because there is always a shortage of campus housing for women. Applications are now being accepted for the summer sessions and next fall and spring. For more information about campus housing, see Charles Engle in office C106.

Students - Pre-Register

Students currently enrolled and planning to return next Fall should prepare their Fall Schedules and submit them to the Registrar's Office before leaving for Summer break.

By pre-registering, a student assures himself of a space in classes for his return in the fall. Otherwise, the student may face numerous closed classes in the Fall.

The student should first drop by the Registrar's Office and pick up the 1983 Fall Schedule. Next, make an appointment with your advisor to go over your schedule. Make sure that your advisor has your RAP (Record of Academic Progress) sheet, which lists all the courses that you have taken at CVC or transferred.

With your advisor, go over your RAP sheet, the schedule, and the requirements in your planned major.

After the schedule is made, the appropriate forms should be submitted to the Registrar's Office to complete the pre-registration process.

Wesley Plans Trip...

The Wesley Foundation has set the date for their annual end-of-the-year trip for May 22-May 29. The group will leave for St. Petersburg, Florida shortly after graduation. The members would like to thank all the students who have supported their fund-raising activities by buying candy, calendars, and attending their fund-raising suppers.

Those members who plan to vacation are Bruce Gibson, Shannon Gibson, Barry Bellamy, John Kilgore, Jerry Kilgore, and Terry Kilgore. Also, Kathy Brewer, Ken Sanders, Mike Darnell, Vickie Trent, Page Sowards, and Kathy Goggin. Rev. and Mrs. Warren Wattenberger who serve the Clinch Valley Wesley Foundation will act as chaperones.

Pi Kapp News

The brothers of Pi Kappa Phi-Epsilon Epsilon chapter are proud to welcome into membership seven new brothers. They are: Kerry Anderson, Tim Howard, Sam Chapman, Eddie Mullins, Brian Reddy, Neil Stallard, and Al Steffy. This week we will be nominating and electing new officers for next year. We would like to say a farewell goodbye and good luck to our graduating brothers. Members that are graduating seniors: Sam Chapman, Rick Cole, Ted Darby, Mike Fletcher, Spruce Henry, Mike Hoskins, Walter Little, Terry Raines, and Lee Stallard. Each of you who will be missed greatly and you brothers here at E.E. hope that you will stay in touch with us after graduation.

Phi Sig Little Sisters

The Little Sisters of Phi Sigma Kappa would like to congratulate and welcome our new members: Tammy "One-Shot" DeBauk, Kathy "Red Top" Gibson, Kim "Reddy" Henry, Laurie "Time-Warp" Lakatos, and Debbie "Flat Foot" Pruitt. We would also like to congratulate our newly elected officers for the 1983-84 academic year: Beth Hinman-President, Karen Nickle-Vice President, Kathy Blankenship-Secretary, and Trish Jennings-Treasurer.

As the 1982-83 scholastic year comes to a close, the Little Sisters would like to thank all students, faculty, and alumni who supported us through participation in our raffles, dances, sweetheart games, contests, and bake sales. We hope that each and every one of you has a great summer and hope that those of you who are returning in the fall won't hesitate to stop by our Rush table.

To the graduates of 1983: GOOD LUCK!!!!!!

Pi Kapp Little Sisters

By The Klean

Well, it's almost the end of another semester and the brothers and sisters of Pi Kappa Phi are still busy at work.

Congratulations to our new Little Sister officers. Our new president is Sheila "Squeals" Dougherty, vice-president is Mindy "Windy" Kibler, secretary is Terry "Big T" Lambert, and parliamentarian is Kim "Klan" Lambert. These new officers look promising with much hard work to do for them.

As a last hurrah for our senior members, Valeri Jones, Beverly Bradberry, and Page Sowards, we treated ourselves to an elegant dinner at The Back Stage Restaurant in Kingsport. The food and drinks would have been excellent if we all had not been red as lobsters from sunburn!

The last weekend of April was the biggest for us. On Friday, we went with our brothers to Big Stone Gap to help out at the Special Olympics. There is no comparison to the joy we had working with the kids, they certainly know how to boogie, right Squeal! Friday night was our first annual Pi Kappa Phi Rose Ball at the Ramada Inn in Duffield. H. Kevin did a superb job in organizing this gala event. Also, our sincere congrats to our 1983 Rose Ball Queen, Terry Lambert. You looked great all! The entire place rocked till dawn with Pi Kappa!

Saturday night, our brothers had initiation. In our family we welcome our sisters Rebecca Mullins and Tammy Richards. Our brothers welcome Kerry "Scrub" Anderson, Sam "Rescue" Chapman, Tim "Car Wash" Howard, Eddie "Moncho" Philospho Mullins, Brian "Ecos" Kelly, Al "Tulcan" Steffy and Neil "BH" Stallard. Great to have you all aboard!

Have a nice summer everyone and see you next semester!

Spring And Summer Fashion Review

By Melissa Stidham
Now that mother nature has decided that it's spring, we can put away our winter coats and break out our new spring fashions. But what is the style this season? What's in and what's out? I talked recently with Robin Williams, owner of the Dreamweaver Boutique and she enlightened me concerning this season's fashions. Probably the most outstanding feature in this spring's fashions is the 50's effect. This includes shorter pants, known as capris, which

come down only to the calf; the "Marilyn Monroe" tight fit clothing; denim; and the bikini look. This season's fashions look to be splashy and colorful, with lots of polka dots and stripes—some of the dominant colors being grays, pinks, reds, and black and white coordinates. The most popular fabrics are cotton and gauze.

Dresses for spring and summer are definitely shorter, however, any length can still be worn. Sleeveless, tight-fit, body-

conscious dresses are very popular. Blouses and shirts are worn more in brighter colors with the collar turned up. Sweat shirts are becoming very popular again. The "torn T" is also growing in popularity. Denims, especially denim jackets are being worn with any and everything. Jeans have always been in style and this spring and summer will be no exception, particularly stone-washed and over-dyed jeans. Knickers, though, will not be worn as much as they were last year. High-heeled shoes are out.

Flats, sneakers, and lace-ups are definitely preferred this year. Accessories include larger earrings in geometric shapes, wider belts, and hats—especially the straw boater's hat and the fedora. For your swimwear, the bikini is back and less of it. String bikinis with French cut legs are ideal for getting that fabulous tan. And evening wear is much more informal, with less ruffles. It is simpler, with a much cleaner line, for that sophisticated, sexy look. This, of course, is no way

the limit to spring and summer fashions. Another important feature of this season's fashions is that the clothes are fun as well as every sexy. They can be mixed and matched as it suits each person's fancy. According to Robin, anything goes. She feels that each person is individual and can develop their own individual style and still be "in style". And this probably the best part of spring and summer fashions for 1983.

Raymer Selected Miss LPIR

Kimberly Carol Raymer, a 20 year old native of Nickleaville, Virginia, has been selected as Miss Lonesome Pine International Raceway 1983. Miss Raymer will begin her duties at the season-opening event—the Morgan-McClure Chevrolet Twin 100s - on Saturday night, May 7.

The 5 foot-3 inch, blue-eyed, brunette is currently a sophomore at Clinch Valley College, with a major in communications that she hopes will lead to a career in public relations. She is a cheerleader and a member of various clubs. Her scholastic achievements have been recognized through the Dean's List of Distinguished Students. She is also the reigning Miss Clinch Valley College. "I am honored to repre-

sent the Lonesome Pine International Raceway in this way," she said, after being notified of her appointment. "I feel it will be an excellent opportunity for me to meet interesting people and establish new friendships."

Miss Raymer's responsibilities as Miss LPIR 1983 will include participation in various pre-race promotions. She will also be part of the Parks-Balk Trophy Queen Showcases sponsored by Parks-Balk in Norton, Virginia.

Additional awards for her appointment have been provided by Mary Kay Cosmetics, Mullins Jewelry, Sportswise, Bowlin Florists, Doug's Fitness World, Blackwood Cinemas, Woody's House of Portraits and Charlotte Motor Speedway.

Bottoms Production Review

By H. Kevin Matney, Assistant Editor
On Tuesday, May 3, the Royal Nonesuch Players of Clinch Valley College presented a version of "A Midsummer Night's Dream" which was entertaining but had its pitfalls. The play which had amongst its cast the greats of our campus Actors and Actresses (Butch Osborn, Spruce Henry, Walter Little, Sheila Dougherty, Lori Donley, etc.), was not the best interpretation of "Midsummer's" that was possible.

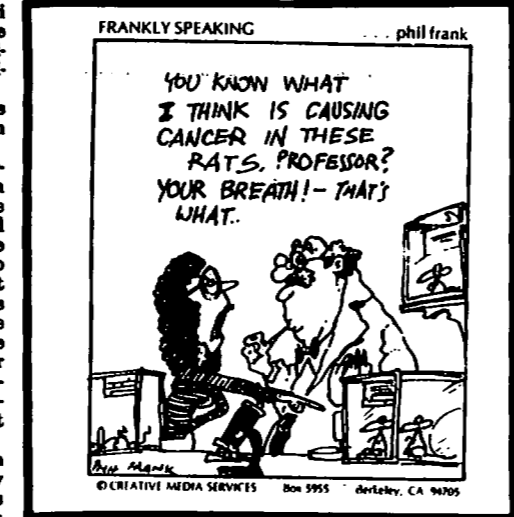

The major errors that was noticed in this production were:

1. Too many actors performing dual roles. It was a surprise that some of these minor professionals could keep in character for more than two minutes having to constantly change and get ready for two different parts that they were responsible for performing. (To solve this problem the director should have recruited outside of his class. This production would have been at least 50% better.)
2. It was noticed that in over half of the Lady Fairy Scenes that the actresses were constantly falling in and out of character. (Has no one ever taught you Lady Fairies not to stare blankly into the audience.)
3. My last criticism goes to the play director (Dr. Richard Peaks). In every production that this reviewer has been in or seen, it has always been understood that a play director should never-over-be in a production that he/she is directing. (But

what difference does it make? Dr. Peaks as "Smug" was probably the worst interpretation throughout the play.)

Through interviewing several of the students that were in the play, it can be clearly stated that the play was poor because of bad directing. Of course, they spent many hours working on the production but that does not amount to

anything if the overall play does not perform in unison. Even though this play had its faults, it was humorous in parts but I, for one, was disappointed. This play possessed great talents and many new faces that I have never seen in a CVC production before. Under different circumstances this play could have really been a terrific production.

"Average White Team" Takes Softball Title

Bubby "Du De" Lineberry swings for the fence.

The Average White Team, sporting super hitting and superior defense, captured the 1983 Intramural softball tournament. The A.W.T. did it by defeating, in order, the Padres, Kapps II, Kapps I, losing to the Padres, (8-4), then rebounding to defeat the Padres, (6-1), for the title. Keith Phillips, coach of the Average White Team, had nothing but for Toby Converse who went 3 for 3 and made a super catch in left field. Also lauded for superior performance was Chuck Banner who played his usual super defensive game. For the Padres, Joel Wyatt played a super all-around game. The Padres deserve a tremendous amount of praise for advancing all the way through the losers bracket.

The weather was treacherous for Sunday's events with water standing on the field. Charlie Engle and all the guys deserve a pat on the back for getting the field in relatively good shape.

Average White Team Members (from left to right); Sitting: Tobey Converse, John Brickey, Chuck Banner, Jimmy Rogers, David Bridgee. Standing: Ronnie Bates, Roger Keith, Robert Shuler, Keith Phillips, Rick Fischer, Joe Bruce Culbertson. Not pictured: Lynn Rhoton, I. W. Bacon, Robert Isaac.

Men Finish With Even Mark

Clinch Valley ended its regular season on a winning note as the Cavaliers defeated King College 10-1 (April 25) and rolled over conference foe Alice Lloyd College 9-0 (April 28). The two wins brought the overall team record to 9-9 and 7-3 in the KIAC.

BARRY BELLOWS

by Barry Bellamy
 I hadn't really planned on writing my article this week, but, I need something to finish up page eight. So, for absolutely the last time, you can read the world famous Barry Bellows sports column. This is guaranteed to be a collectors item, so if your bird cage needs lined, you know where you can get it.

For my last column, I have decided to give my Barry Bellows intramural softball awards. Never having to write another column it's guaranteed to be no holds barred. On with the awards.

The Pat Lark Award - (Given to the best pitcher). Recipient: Robert Shuler. Even though he was visibly shaken at one point by an illegal pitch call, Shuler found the strike zone consistently and pitched his team to a 41-1 record and the title.

The Swaine Skeen Award - (Given to the best short-stop). Recipient: Mike Hoekins. Mike adds this prestigious award to go with his Herschel Walker award for basketball.

The "Nec-A-Homa" Award - (Given to the player who hit the longest home run). Recipient: George Workman. George hit one ball that nearly went to the track in left field. Truly amazing.

The "Burn" Award - (Given to the outfielder "burnt" most often). Recipient: Barry Bellamy. Yours truly got burnt twice, both in crucial situations and probably cost our team a victory. What the heck, it's only a game!

The Charlie Eagle Award - (Given to the team show-

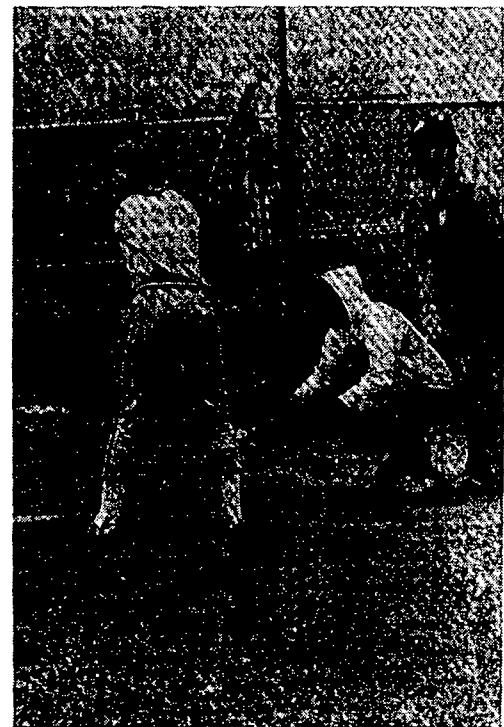

ing the best sportsmanship). All six teams was the best I've ever seen in my days at CVC.

Congratulations for a pleasant tournament and thanks to all readers who have put up with me this year.
